Registered and non-registered shareholders entitled to vote at the Meeting may vote by proxy in advance of the Meeting. **However, only registered shareholders and duly appointed proxyholders (including non-registered shareholders who have duly appointed themselves as proxyholder) will be entitled to vote at the Meeting during the live audio webcast. Non-registered shareholders who have not duly appointed themselves as proxyholders will be able to attend the Meeting and ask questions but will not be able to vote.** Guests will be able to attend the Meeting but will not be able to submit questions, vote their shares (if any) or otherwise participate in the Meeting. **Please note that shareholders and duly appointed proxyholders will need the 16-digit control number indicated on the form of proxy or voting instruction form accompanying this Notice of Meeting or the 8-character Appointee Identification Number, as applicable, to log on to the Meeting as "Shareholder" or "Proxyholder / Appointee". Regardless of whether or not shareholders are able to attend the Meeting (or any adjournment thereof) via the live audio webcast, shareholders are strongly encouraged to complete, date, sign and return the accompanying form of proxy or voting instruction form, as applicable, in accordance with the instructions set out on such form and in the accompanying Management Information Circular, or alternatively to vote over the Internet or by telephone, at their discretion, in accordance with the instructions provided on such form and in the Management Information Circular. In order to be valid for use at the Meeting, proxies must be received by 10:00 a.m. (Eastern time) on Monday, January 30, 2023 or, if the Meeting is adjourned or postponed, 48 hours prior to the time which the Meeting has been adjourned or postponed, excluding Saturdays, Sundays and statutory holidays. The chair of the Meeting may waive or extend the proxy cut-off time without notice. Non-registered shareholders of Real Matters who receive these materials through their broker or other intermediary should carefully follow the instructions provided by their broker or intermediary.

The Company is using the notice-and-access procedures permitted by Canadian securities laws for the delivery of the meeting materials to shareholders ("**Proxy Materials**"). Under the notice-and-access procedures, instead of receiving paper copies of the Proxy Materials, shareholders will receive a package in the mail with a notification explaining how to access and review the meeting materials electronically and how to request a paper copy at no charge. The package will also include a proxy form or a voting instruction form so that shareholders can vote their shares.

The Proxy Materials will be available online at <https://docs.tsxtrust.com/2277> and on SEDAR at www.sedar.com. Starting on December 29, 2022, shareholders can request a free paper copy of the Proxy Materials. To receive the paper copy in advance of the voting deadline and meeting date, the Company recommends that shareholders submit a request no later than 5:00 p.m. (Eastern time) on January 23, 2023.

The Company elected to conduct the Meeting virtually this year due to the ongoing coronavirus (COVID-19) pandemic as well as the high number of flu and RSV cases that are currently circulating in the community. This measure is a proactive and prudent step to continue protecting the health and safety of the Company's shareholders, directors, employees and other stakeholders. Shareholders are invited to attend the Meeting online as there will be an opportunity to ask questions. The Company reminds shareholders to review the information contained in the Management Information Circular prior to voting.

DATED at Markham, Ontario this 13th day of December, 2022.

By Order of the Board of Directors

DELIVERY OF PROXY MATERIALS

We are using notice and access to deliver the meeting materials to all of the holders ("**Shareholders**") of common shares ("**Shares**") in the capital of Real Matters Inc. ("**Real Matters**" or the "**Company**"). This means that Real Matters will post the meeting materials online for Shareholders to access electronically. You will receive a package in the mail with a notification explaining how to access and review the meeting materials electronically and how to request a paper copy at no charge. Your package will include a proxy form or a voting instruction form so you can vote your Shares.

Notice and access is environmentally friendly and a cost-effective way to distribute our meeting materials because it reduces printing, paper and postage and delivery costs.

You can access the meeting materials at <https://docs.tsxtrust.com/2277> and on SEDAR at www.sedar.com or you can request a paper copy of the meeting materials.

Proxy materials are being sent to registered Shareholders directly and will be sent to intermediaries to be forwarded to all non-registered (beneficial) Shareholders. Real Matters will pay the reasonable costs of intermediaries to deliver copies of the proxy-related materials to non-registered Shareholders.

How to request a paper copy

Starting on December 29, 2022, Shareholders can request a free paper copy of the meeting materials. To receive the paper copy in advance of the voting deadline and meeting date, we suggest you submit your request no later than 5:00 p.m. (Eastern time) on January 23, 2023.

After the meeting, you may request to receive a paper copy of the meeting materials for up to one year from the date the meeting materials are filed on SEDAR by calling our transfer agent, TSX Trust Company, at 1-866-600-5869 (toll-free) or sending an email to tsxtis@tmx.com.

If you request a paper copy of the meeting materials, you will not receive a new proxy form or voting instruction form. Please keep the original form sent to you so you can vote your Shares.

If you have questions about notice and access, please call our transfer agent, TSX Trust Company, at 1-866-600-5869 (toll-free).

PROXY RELATED INFORMATION

Solicitation of Proxies

This Circular is provided in connection with the solicitation of proxies by management of Real Matters for use at the Meeting. The Meeting will be conducted online only, via live audio webcast at www.virtualshareholdermeeting.com/realmatters2023 on Wednesday, February 1, 2023 at 10:00 a.m. (Eastern time), or at such other time or place to which the Meeting may be postponed or adjourned, for the purposes set forth in the Notice of Meeting accompanying this Circular (the "**Notice**").

It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally, by advertisement or by telephone by employees of Real Matters without special compensation, at nominal cost. The costs of solicitation will be borne by Real Matters.

Accompanying this Circular is a form of proxy for use at the Meeting or a voting instruction form. Each Shareholder who is entitled to attend the Meeting is encouraged to vote in advance of the Meeting on matters to be considered in person or by proxy using any of the voting methods set out in the form of proxy or voting instruction form.

Appointment, Time for Deposit and Revocation of Proxies

The voting process is different depending on whether you are a Registered or Non-Registered Shareholder.

You are a Registered Shareholder if you hold a share certificate and your name appears on your share certificate.

You are a Non-Registered Shareholder if you beneficially own Shares which are registered either: (i) in the name of an intermediary (an "**Intermediary**") (including, among others, banks, trust companies, securities dealers, brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans) that you deal with in respect of the Shares; or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. Most of our Shareholders are Non-Registered Shareholders.

Registered Shareholders

Appointment of a Proxy

The individuals named as proxies in the accompanying form of proxy are directors or officers of the Company. **Registered Shareholders have the right to appoint a person or company to represent the Registered Shareholder at the Meeting other than those persons designated on the form of proxy. A Registered Shareholder who wishes to appoint some other person at the Meeting may do so by following the instructions on the form of proxy. Such other person need not be a Shareholder.** Registered Shareholders are encouraged to provide voting instructions or appoint a proxyholder online in advance of the meeting at www.proxyvote.com in accordance with the instructions on the form of proxy as this will reduce the risk of any mail

disruptions. If preferable, Registered Shareholders may also vote in advance using any of the other voting methods set out in the form of proxy. Registered Shareholders will need their 16-digit control number contained in the form of proxy in order to vote online. A proxy will not be valid unless it is received by 10:00 a.m. (Eastern time) on Monday, January 30, 2023 or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time of the adjourned or postponed Meeting. The Chair of the Meeting may waive or extend the proxy cut-off time without notice.

Revocation of Proxies

A Registered Shareholder who has given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed in the proxy by providing new voting instructions or appointment information at www.proxyvote.com at a later time or a new form of proxy with a later date. In addition to revocation in any other manner permitted by law, a proxy may be revoked with an instrument in writing signed and delivered to the registered office of the Company at 50 Minthorn Boulevard, Suite 401, Markham, Ontario L3T 7X8, Attention: Corporate Secretary, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment or postponement of the Meeting at which the proxy is to be used. The document used to revoke a proxy must be in writing and completed and signed by the Registered Shareholder or his or her attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. As well, a Registered Shareholder may also access the Meeting via the live audio webcast to participate and vote at the Meeting, which will revoke any previously submitted proxy. If a Registered Shareholder has voted on the internet via www.proxyvote.com and wishes to change such vote, such Registered Shareholder may vote again through such means before 10:00 a.m. (Eastern Time) on Monday, January 30, 2023 or at least 48 hours, excluding Saturdays, Sundays and statutory holidays, before any adjournment or postponement of the Meeting.

Signature on Proxies

The form of proxy must be executed by the Registered Shareholder or his or her duly appointed attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney whose title must be indicated. A form of proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with Real Matters).

Non-Registered Shareholders

Only Registered Shareholders or the persons they appoint as their proxyholders are permitted to vote at the Meeting. **In accordance with the requirements of the Canadian Securities Administrators, Real Matters will have distributed proxy materials to Intermediaries for onward distribution to Non-Registered Shareholders.** If you are a Non-Registered Shareholder, your Intermediary will be the entity legally entitled to vote your Shares at the Meeting. Shares held by an Intermediary can only be voted upon with instruction from the Non-Registered Shareholder. Without specific instructions, Intermediaries are prohibited from voting Shares.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Non-Registered Shareholders in advance of the Meeting. Most Intermediaries delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Non-Registered Shareholder is requested to complete and return the voting instruction form to Broadridge by mail in accordance with the instructions set out on the voting instruction form. Alternatively, the Non-Registered Shareholder may call a toll-free telephone number or access the internet at www.proxyvote.com to provide instructions regarding the voting of Shares held by the Non-Registered Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. A Non-Registered Shareholder receiving a voting instruction form from Broadridge cannot use that voting instruction form to vote Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge in advance of the Meeting in order to have such Shares voted. In some cases, your Intermediary may have supplied you with a form of proxy which is identical to the form of proxy provided to Registered Shareholders, in which case the form of proxy is to be returned in accordance with the instructions on the form of proxy.

Appointment of a Proxy

The individuals named as proxies in the accompanying voting instruction form or form of proxy are directors or officers of the Company. **Non-Registered Shareholders have the right to appoint a person or company to represent the Non-Registered Shareholder at the Meeting other than those persons designated on the voting instruction form or form of proxy. A Non-Registered Shareholder who wishes to appoint some other person at the Meeting may do so by following the instructions provided in the voting instruction form. Such other person need not be a Registered Shareholder.**

Non-Registered Shareholders should ensure that instructions respecting the voting of their Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary or Broadridge, as applicable. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Shares are voted at the Meeting. Generally, your voting instructions must be received by your Intermediary at least one full day before 10:00 a.m. (Eastern Time) on Monday, January 30, 2023 or at least 48 hours, excluding Saturdays, Sundays and statutory holidays, before any adjournment or postponement of the Meeting. The Chair of the Meeting may waive or extend the proxy cut-off time without notice.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purpose of voting Shares registered in the name of their Intermediary, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Intermediary and vote the Shares in that capacity. **Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Shares as a proxyholder, should enter their own names in the blank space on the voting instruction form or form of proxy provided to them by their Intermediary and/or Broadridge, as applicable, and return the same in accordance with the instructions provided by their Intermediary and/or Broadridge, as applicable, well in advance of the Meeting. Do not complete the voting instructions on the form of proxy or voting instruction form as your votes will be cast at the Meeting.** In some cases, the voting instruction form will not include a blank space

in which you may enter your own name as proxyholder but instead will afford you the option of requesting a document, called a “legal proxy” in order to appoint you as proxyholder. In such cases, make the request promptly since your Intermediary will need to send you the legal proxy for completion and you will need to send the completed legal proxy before 10:00 a.m. (Eastern Time) on Monday, January 30, 2023 or at least 48 hours, excluding Saturdays, Sundays and statutory holidays, before any adjournment or postponement of the Meeting.

Revocation of Voting Instructions

Non-Registered Shareholders who wish to change their voting instructions must contact the Intermediary through which their Shares are held and follow the instructions of the Intermediary respecting the revocation of such voting instructions. If the Intermediary provides a mechanism to vote by telephone or over the internet, such Non-Registered Shareholder may vote again through such means and doing so will revoke any prior voting instructions, provided that the new voting instructions are given sufficiently in advance to enable the Intermediary to act on them prior to the deadline of 10:00 a.m. (Eastern Time) on Monday, January 30, 2023 or at least 48 hours, excluding Saturdays, Sundays and statutory holidays, before any adjournment or postponement of the Meeting.

The purpose of the above-noted procedures is to permit Non-Registered Shareholders to direct the voting of the Shares which they beneficially own. Non-Registered Shareholders should carefully follow the instructions and procedures of their Intermediary or Broadridge, as applicable, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

Voting of Proxies

Each Shareholder may instruct their proxyholder on how to vote their Shares by completing the blanks on the form of proxy or voting instruction form. **Shares represented by the enclosed form of proxy or voting instruction form will be voted on any motion, by ballot or otherwise, in accordance with any indicated instructions. In the absence of such direction, such Shares will be voted IN FAVOUR OF PASSING THE RESOLUTIONS DESCRIBED IN THE FORM OF PROXY OR VOTING INSTRUCTION FORM AND BELOW.** If any amendment or variation to the matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the accompanying form of proxy or voting instruction form confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. As of the date of this Circular, the management of Real Matters knows of no such amendments or variations or other matters to come before the Meeting.

Unless otherwise stated, where the individuals named in the accompanying form of proxy or voting instruction form are appointed as proxyholder, Shares will be voted: (i) in favour of the election of Director nominees set forth in this Circular; and (ii) in favour of the re-appointment of Deloitte LLP as auditor of Real Matters and the authorization of the board of directors of Real Matters (the “Board” or the “Board of Directors”) to fix their remuneration.

Voting Shares and Record Date

Only Shareholders of record at the close of business on December 13, 2022 (the “**Record Date**”) are entitled to receive the Notice and to attend and vote at the Meeting. The authorized capital of Real Matters consists of an unlimited number of common shares and an unlimited number of preferred shares, issuable in series. As of the Record Date, Real Matters has: (i) 72,692,645 issued and outstanding common shares, each of which carries the right to one vote in respect of each of the matters properly coming before the Meeting; and (ii) no issued and outstanding preferred shares. The failure of any Shareholder to receive a copy of the Notice does not deprive the Shareholder of the right to vote at the Meeting.

Participating and Voting at the Meeting

Only Registered Shareholders and duly appointed proxyholders (including Non-Registered Shareholders who have duly appointed themselves as proxyholder) will be entitled to vote at the Meeting during the live audio webcast using an internet connected device such as a computer, laptop, tablet or smartphone. Non-Registered Shareholders who have not duly appointed themselves as proxyholders will be able to attend the Meeting and ask questions but will not be able to vote.

The steps you need to follow to participate and vote at the Meeting will depend on whether you are a Registered Shareholder or a Non-Registered Shareholder.

Registered Shareholders

If you are a Registered Shareholder, you will receive a form of proxy containing the relevant details concerning the business of the Meeting, including a 16-digit control number that must be used to vote by proxy in advance of the Meeting or join the live audio webcast on the day of the Meeting.

If you wish to participate and vote at the Meeting, **do not** complete the form of proxy, and instead, follow these steps:

First, log into www.virtualshareholdermeeting.com/realmatters2023 15 minutes before the Meeting starts. You should allow ample time to check into the virtual Meeting and to complete the related procedures.

Second, enter the 16-digit control number included on your form of proxy into the "Shareholder Login" section, enter your first and last name and click "Join Meeting".

Third, follow the instructions to access the Meeting, and vote when prompted.

Even if you currently plan to participate and vote at the Meeting, you should consider voting your Shares in advance so that your vote will be counted if you later decide not to attend the Meeting. **You should note however that if you access and vote on any matter at the Meeting, you will revoke any previously submitted proxy.**

Non-Registered Shareholders

If you are a Non-Registered Shareholder and wish to participate and vote at the Meeting yourself:

First, you need to appoint yourself as proxyholder. You may appoint yourself as proxyholder by: (i) following the instructions on your voting instruction form, completing the voting instruction form and returning it to your Intermediary, (ii) visiting www.proxyvote.com, or (iii) telephone if your Intermediary provides you with this option. You must follow the instructions and deadlines provided by your Intermediary in order to do so.

Second, given the Meeting will take place virtually, the process for you to appoint yourself to participate and vote at the Meeting is different than it would be for an in-person Meeting. In addition to the first step above, you must follow the additional instructions on your voting instruction form very carefully, including (i) inserting your name as the "Appointee Name", and (ii) designating an 8-character "Appointee Identification Number" in the spaces provided in your voting instruction form or online at www.proxyvote.com. **Such appointee information is required for you to participate and vote at the Meeting.**

Such steps must be completed prior to 10:00 a.m. (Eastern time) on Monday, January 30, 2023 or you will not be able to participate and vote at the Meeting.

If you are a Non-Registered Shareholder, have duly appointed yourself to participate and vote at the Meeting and want to know how to access the Meeting to participate and vote thereat, see below under the subheading "Proxyholders (including Non-Registered Shareholders who have duly appointed themselves as proxyholder)".

Proxyholders (including Non-Registered Shareholders who have duly appointed themselves as proxyholder)

If you have been appointed as third-party proxyholder for a Registered or Non-Registered Shareholder, or if you are a Non-Registered Shareholder and have duly appointed yourself as proxyholder, you can access the Meeting, and participate and vote at the Meeting during the live audio webcast, by following these steps:

First, log into www.virtualshareholdermeeting.com/real matters2023 15 minutes before the Meeting starts. You should allow ample time to check into the virtual Meeting and to complete the related procedures.

Second, enter the Appointee Name and the Appointee Identification Number **exactly** as it was provided on the applicable form of proxy or voting instruction form or through www.proxyvote.com and click on "Submit". **If this information is not available to you, or if you do not enter it exactly as provided, you will not be able to participate and vote at the Meeting as a proxyholder.**

Third, follow the instructions to access the Meeting and vote when prompted.

If you have been appointed as proxyholder for more than one Shareholder, you will be asked to enter the Appointee Name and the Appointee Identification Number for each separate Shareholder to vote the applicable Shares on their behalf.

Third-party proxyholders will be informed of the Appointee Name and 8-character Appointee Identification Number prior to the Meeting by the Shareholder who appointed them to act as proxyholder at the Meeting. Third-party proxyholders who have forgotten or misplaced the applicable Appointee Name and/or the Appointee Identification Number should contact the Shareholder who appointed them as quickly as possible. Shareholders who have forgotten or misplaced the applicable Appointee Name and/or the Appointee Identification Number must create a new one through www.proxyvote.com.

Appointing a Third-Party Proxyholder to Participate and Vote at the Meeting

Registered Shareholders

You may also appoint a third-party proxyholder to participate and vote at the Meeting on your behalf (other than the persons designated by management as set out on your form of proxy). If you wish for a third-party proxyholder to participate and vote at the Meeting on your behalf:

First, you need to appoint the third-party proxyholder by (i) following the instructions on your form of proxy, completing and returning your form of proxy to Broadridge, or (ii) visiting www.proxyvote.com.

Second, given the Meeting will take place virtually, the process for you to appoint a third-party proxyholder to participate and vote at the Meeting on your behalf is different than it would be for an in-person Meeting. In addition to the first step above, you must follow the additional instructions on your form of proxy very carefully, including inserting an "Appointee Name" and designating an 8-character "Appointee Identification Number" in the spaces provided in your form of proxy or online at www.proxyvote.com. Such appointee information is required to participate and vote at the Meeting on your behalf.

Third, you need to inform your third-party proxyholder of the exact Appointee Name and 8-character Appointee Identification Number prior to the Meeting. Your third-party proxyholder will require both your Appointee Name and your Appointee Identification Number in order to participate and vote on your behalf at the Meeting.

Non-Registered Shareholders

You may also appoint a third-party proxyholder to participate and vote at the Meeting on your behalf (other than the persons designated by management as set out on your voting instruction form). If you wish for a third-party proxyholder to participate and vote at the Meeting on your behalf:

First, you need to appoint the third-party proxyholder by (i) following the instructions on your voting instruction form, completing the voting instruction form and returning it to your Intermediary, (ii) visiting www.proxyvote.com, or (iii) telephone if your Intermediary provides you with this option. You must follow the instructions and deadlines provided by your Intermediary in order to do so.

Second, given the Meeting will take place virtually, the process for you to appoint a third-party proxyholder to participate and vote at the Meeting on your behalf is different than it would be for an in-person Meeting. In addition to the first step above, you **must** follow the additional instructions on your voting instruction form very carefully, including (i) inserting an "Appointee Name" (i.e. the name of your third-party proxyholder), and (ii) designating an 8-character "Appointee Identification Number" in the spaces provided in your voting instruction form or online at www.proxyvote.com. **Such appointee information is required to participate and vote at the Meeting on your behalf.**

Third, you need to inform your third-party proxyholder of the exact Appointee Name and 8-character Appointee Identification Number prior to the Meeting. Your third-party proxyholder will require both your Appointee Name and your Appointee Identification Number in order to participate and vote on your behalf at the Meeting.

The first and second steps above must be completed prior to 10:00 a.m. (Eastern time) on Monday, January 30, 2023 or neither you nor your third-party proxyholder will be able to participate and vote at the Meeting.

If you fail to provide the exact Appointee Name and Appointee Identification Number to your third-party proxyholder appointed to participate and vote at the Meeting on your behalf, neither you nor your third-party proxyholder will be able to participate and vote at the Meeting.

If you wish to appoint a third-party proxyholder, you are encouraged to do so online at www.proxyvote.com, as this will allow you to share the Appointee Name and the Appointee Identification Number with your third-party proxyholder easily.

Majority Voting for Election of Directors

On August 31, 2022, amendments to the *Canada Business Corporations Act* (the “CBCA”) and the *Canada Business Corporation Regulations, 2001* came into force which impact how directors of CBCA corporations with publicly traded securities are elected. As a result of these amendments, directors are not considered elected unless they receive more votes for their election than against at an uncontested meeting. On November 15, 2022, the Company repealed its majority voting policy which was no longer necessary in light of the CBCA amendments.

Advance Notice By-Law

On May 1, 2017, in connection with the Company's initial public offering (“IPO”), the Company adopted By-Law No. 1-A, which includes an advance notice provision with respect to the election of Directors, which was subsequently amended. The amended version was ratified and approved by Shareholders on February 7, 2020 (the “**Advance Notice Provision**”).

Under the Advance Notice Provision, a Shareholder wishing to nominate a Director is required to provide the Company notice of its desire to do so in the prescribed form within the prescribed time periods. These time periods include: (i) in the case of an annual meeting of Shareholders (or an annual and special meeting), not less than 30 days prior to the date of such meeting; provided, that if the first public announcement of the date of such meeting of Shareholders (the "**Notice Date**") is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting of Shareholders (which is not an annual and special meeting) called for the purpose of electing Directors (whether or not called for the purpose of conducting other business), not later than the close of business on the 15th day following the Notice Date. The Board may waive the Advance Notice Provision in its sole discretion.

As of the date of this Circular, the Company has not received any Director nominations pursuant to the Advance Notice Provision.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Overview

Real Matters is committed to a high standard of corporate governance practices. The Board of Directors supports Real Matters' efforts to align its corporate governance practices with the recommendations currently in effect and contained in National Policy 58-201 - *Corporate Governance Guidelines*, which are addressed below.

Board of Directors

Board Mandate

The Board of Directors, directly and through its committees, oversees the management of Real Matters and is responsible for the stewardship of Real Matters, ensuring that long-term value is being created for all Shareholders while considering the interests of Real Matters' various stakeholders, including its employees, clients, suppliers and the community.

The responsibilities of the Board of Directors include, among other things, ensuring that:

- all Board members understand the business of Real Matters;
- processes are in place to effectively plan, monitor and manage the long-term viability of Real Matters;
- there is a balance between long and short-term goals and risks such that incentive compensation plans do not encourage inappropriate or unintended risk taking by management;
- management's performance is adequate and that an appropriate management succession plan is in place;
- communication with Shareholders and other stakeholders is timely and effective;
- Real Matters' business is conducted ethically and in compliance with applicable laws and regulations; and
- all matters requiring Shareholder approval are referred to the Board of Directors.

The Board of Directors has adopted a written mandate which sets out the Board of Directors' responsibilities, a copy of which is attached as Appendix "A" hereto.

Board Composition and Independence

The Company has determined that five of the seven Director nominees are independent. A Director is considered independent if he or she would be considered independent under NI 52-110 – *Audit Committees* (“**NI 52-110**”). NI 52-110 defines an “independent director” as a director who has no direct or indirect material relationship with the Company. A “material relationship” is defined as a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of such director’s independent judgment.

Brian Lang and Jason Smith are not considered independent because of their current and former positions as executives of the Company. Each of the other Director nominees are considered independent since they are independent of management and free from any direct or indirect material relationship with the Company.

Garry Foster, an independent Director, was appointed Lead Independent Director on November 20, 2020. The Lead Independent Director provides leadership to the Board by fulfilling the following duties and responsibilities: (i) ensuring that the Board functions independently of management; (ii) consulting with the Executive Chairman regarding the meeting agenda and associated materials for Board meetings; (iii) providing input to the Executive Chairman on the quantity, quality and timeliness of information provided to the Board; (iv) calling and chairing meetings of the independent Directors and apprising the Executive Chairman of the issues considered, as appropriate; (v) assuming the responsibilities of Chair of the Board during meetings of the Board when the Executive Chairman declares a conflict or otherwise excuses himself from the debate on an agenda item; (vi) presiding, in the absence of the Executive Chairman, at Board meetings and the annual meeting of Shareholders; (vii) helping the Executive Chairman facilitate full and candid Board discussions and ensuring that all Directors express their views on key Board matters; (viii) assisting the Board in achieving a consensus when there are conflicting views amongst Board members; (ix) facilitating discussions amongst the independent Directors; (x) serving as the liaison between the independent Directors and the Executive Chairman and Chief Executive Officer; (xi) working with the Executive Chairman and the Chief Executive Officer to ensure that the Board is provided with the resources, including external advisors and consultants as considered appropriate to permit it to carry out its responsibilities; (xii) bringing to the attention of the Executive Chairman and the Chief Executive Officer any issues that are preventing the Board from being able to carry out its responsibilities; and (xiii) performing such other duties as the Board may determine from time to time.

The Board believes that it functions independently of management. At each Board meeting, the independent Directors hold an in camera session at which members of management (including the Executive Chairman and Chief Executive Officer) are not present. These in camera sessions without management encourage open and candid discussion among the independent Directors. In addition, the Board may excuse members of management from all or a portion of any Board meeting where a potential conflict of interest arises or where otherwise appropriate. During fiscal 2022, there were five in camera meetings of the independent Directors.

At each Audit Committee meeting, the Audit Committee holds an in camera session with Deloitte LLP, the Company’s external auditor, without management present, to discuss any

matters that the Audit Committee or the representatives of Deloitte LLP believe should be discussed privately. The Audit Committee also holds a separate in camera session at each Audit Committee meeting with the Chief Financial Officer, the Vice President, Corporate Controller and the Vice President, Risk and Internal Controls for the same purpose. The Chief Financial Officer, the Vice President, Corporate Controller, the Vice President, Risk and Internal Controls and representatives of Deloitte LLP also meet with the Chair of the Audit Committee prior to each Audit Committee meeting. In fiscal 2022, the above-noted in camera sessions were held at each Audit Committee meeting.

See "Matters to be Acted upon at the Meeting – Election of Directors of Real Matters – Biographies of Directors" for further details relating to the relevant qualifications, background and experience of the Directors.

Committees of the Board of Directors

The Board of Directors has established two standing committees and delegates certain of its responsibilities to these committees. Each committee is mandated to report to the Board of Directors and to carry out certain responsibilities. However, all decisions, recommendations and proposals require approval by the Board of Directors. On November 15, 2022, the Board of Directors approved an updated mandate for the Board and each of its committees. The Board of Directors reviews each mandate at least annually.

The two standing committees of the Board of Directors are the Audit Committee and the CNGC. A brief summary of each committee's mandate is set out below.

Audit Committee

As of the date of this Circular, the Audit Committee is comprised of Garry Foster (Chair), Karen Martin and Frank McMahon. Each member of the Audit Committee is "independent" and "financially literate" (within the meaning of applicable Canadian securities laws and TSX requirements). The members of the Audit Committee are appointed by the Board of Directors on an annual basis at the Board meeting following each annual meeting of Shareholders and serve as members of the Audit Committee until their successors are appointed or until their resignation or removal.

The Audit Committee is responsible for assisting in the Board's oversight of the reliability and integrity of the Company's accounting principles and practices, financial statements and other financial reporting and disclosure practices followed by the Company's management. The Audit Committee also has oversight responsibility for: (i) the qualifications, independence and performance of the independent auditor; (ii) the establishment by management of an adequate system of internal controls; (iii) the preparation by management of quarterly and annual financial statements, the corresponding management discussion and analysis and news release; and (iv) the maintenance by management of practices and processes to ensure compliance with applicable laws. The Company's Audit Committee is also responsible for providing oversight over the Company's risk management policies and procedures, including information security risk and environmental, social and governance risk. At each Audit Committee meeting, Real Matters' Vice-President, Risk and Internal Controls provides the Audit Committee with an update on each of the Company's principal risks and provides a summary of any changes to inherent or residual risks during the applicable quarter. The Audit Committee also receives a copy of the minutes from each Enterprise Risk Committee meeting.

The Audit Committee is required to meet at least four times per year (once after each quarter) under its mandate, or more frequently as circumstances dictate, and met four times in

fiscal 2022. Members of the Company's management and representatives of Deloitte LLP attended Audit Committee meetings at the invitation of the Chair of the Audit Committee. Each meeting of the Audit Committee also included an in camera session without management.

CNGC

As of the date of this Circular, the CNGC is comprised of Peter Vukanovich (Chair), William Holland and Lisa Melchior. Following the Meeting, the Board of Directors intends to appoint Mr. Foster as a member of the CNGC if he is elected as a Director. Mr. Foster will replace Mr. Holland who will not be standing for re-election at the Meeting.

The members of the CNGC are appointed by the Board on an annual basis at the Board meeting following each annual meeting of Shareholders and serve as members of the CNGC until their successors are appointed or until their resignation or removal.

The primary functions of the CNGC with respect to compensation matters are to: (i) discharge the Board's responsibilities relating to the compensation of the Company's executives; (ii) administer the Company's incentive compensation plans; and (iii) assist the Board with respect to management succession planning and development. The CNGC reviews and makes recommendations to the Board on an annual basis regarding: (i) Company-wide compensation programs and practices; (ii) all aspects of the remuneration of the Company's executives; and (iii) incentive compensation plans, including any material amendments thereto.

Orientation and Continuing Education

New Directors participate in an initial information session in the presence of the Company's executives to learn about, among other things, the Company's business and its operations, financial situation and strategic planning. In addition, new Directors are furnished with appropriate materials to familiarize them with, among other things, the Company's corporate governance practices, the structure of the Board and its committees, the Company's history, its commercial activities, its corporate organization, the mandates of the Board of Directors and its committees, the Company's articles and by-laws, the Company's Code of Conduct (the "**Code**") and other relevant corporate policies. New Directors are also furnished with the agendas, materials and minutes of recent Board and committee meetings. In fiscal 2022, Ms. Martin participated in the Company's orientation program in connection with her being onboarded as a Director.

The Company also encourages all Directors to attend continuing education programs and has hosted education sessions during Board and committee meetings by invited external advisors, when appropriate. In addition, the Company's management makes presentations to the Directors on various topics and trends related to the Company's business during Board meetings, which are intended to help the Directors enhance their knowledge about the Company and its business. In addition, at each quarterly Board meeting, the Company's management provides the Board with a comprehensive review of the Company's financial performance, forecast and objectives for the upcoming quarter and a mortgage market update.

Prior to the Board meeting held on November 16, 2021, each Director (other than Ms. Martin who had not yet been elected to the Board as a Director and Mr. Hobson who was

unable to attend the Board meeting) participated in an education session regarding the Company's capital allocation strategy. In addition, prior to the Board meeting held on April 27, 2022, the Company held an education session for Directors on the Company's ESG strategy. All Directors were present at this meeting.

Ethical Business Conduct

The Board has adopted the Code which applies to all of its directors, officers, employees and consultants, as well as its direct and indirect subsidiaries, regardless of geographic location or job position. The objective of the Code is to set the expectation that the Company will uphold high standards of integrity, accountability, ethical conduct and performance, while observing the laws and regulations that govern the industry in which it operates. The Code is also designed to ensure that the Company behaves in a way that safeguards its reputation and the trust that the Company's investors, clients, business partners, regulators and communities place in the Company. The Code addresses, among other things: (i) creating a positive work environment, including ethical operations, social responsibility, diversity and inclusion, health and safety and substance abuse and weapons; (ii) avoiding conflicts of interest, including use of the Company's products and services, outside employment, entertainment and gifts and anti-bribery; (iii) preserving confidentiality, including the protection of personal information and outside communication, including speaking on behalf of the Company; (iv) protecting the Company's assets, including information security and physical security, use of the Company's equipment, internet and email services and protection of the Company's intellectual property; (v) obeying the law and ensuring financial integrity, including an obligation to report certain matters, accurate record keeping, signing contracts and hiring suppliers, insider trading and compliance with Company policies; and (vi) speaking up and raising concerns, including an obligation to report misconduct and not retaliate against anyone who reports or participates in an investigation. Any person who is subject to the Code is required to avoid any activity, interest (financial or otherwise) or relationship that would create or appear to create a conflict of interest. The Company has also adopted a Disclosure Policy which complements the obligations of its directors, officers and employees under the Code.

The Directors are responsible for: (i) monitoring compliance with the Code; (ii) regularly assessing its adequacy; (iii) interpreting the Code; and (iv) approving any changes to the Code. The Board monitors compliance with the Code by having all directors, officers and employees of the Company and its subsidiaries certify on an annual basis that they have read and complied with the Code during the applicable calendar year.

In addition, the Board has, in conjunction with the Audit Committee, established a whistleblower hotline for the Company and its subsidiaries (www.lighthouse-services.com/realmatters or 1-844-420-0055) through a third-party service provider, which allows employees, officers, directors and other stakeholders (including the public) to raise, anonymously or not, questions, complaints or concerns about the Company's business practices, including, without limitation, fraud, policy violations, any illegal or unethical conduct and any accounting, auditing or internal control matters. Each of: (i) the Lead Independent Director and Chair of the Audit Committee; (ii) the General Counsel; (iii) the Chief Compliance Officer; and (iv) the Vice President, Risk and Internal Controls are notified by the third-party service provider of any whistleblower activity reported against the Company or any of its subsidiaries to ensure that any such activity is promptly received, reviewed, investigated,

documented and resolved by the appropriate parties. In addition, at each quarterly Audit Committee meeting (or more frequently if necessary), the Vice President, Risk and Internal Controls provides a summary of any activity received through the whistleblower hotline during the preceding quarter, which is then communicated by the Audit Committee Chair to the Board at the corresponding Board meeting (or more frequently if necessary). Under the Board's mandate, the Board is obligated to ensure that any questions, complaints or concerns received through the whistleblower hotline are adequately received, reviewed, investigated, documented and resolved.

Directors, executive officers and employees are required by applicable law and the Company's corporate governance practices and policies, including the Code and the Company's Related Party Policy and Procedures (the "**Related Party Policy**"), to promptly disclose any actual, potential or perceived conflict of interest that may arise. If a Director or executive officer has an interest in a material agreement or material transaction involving the Company, such individual must declare the interest in writing, including the nature and extent of such interest, and where required by applicable law, abstain from voting with respect to such material agreement or material transaction. In addition, the Company's standard is to refrain from the use of Related Party Vendors (as defined below) for all business transactions, except that it may consider approving exceptions to this standard in the following circumstances: (i) the supply of vendor services by the Related Party Vendor is unique and not replicable; (ii) prior to the Related Party Policy coming into effect, the Company was utilizing the Related Party Vendor; (iii) there is a compelling business reason for engaging the Related Party Vendor; or (iv) the Related Party Vendor is seeking to join one of the Company's third-party networks as an independent field professional (e.g. appraiser, notary, etc.). For purposes of the Related Party Policy, a "**Related Party Vendor**" means that a Director, employee, former employee or any of their immediate family members has a direct or indirect interest in the products or services offered by such vendor. All Related Party Vendors will be disallowed unless, in the case the request is relying on an exemption covered in item (i), (ii) or (iii) above, the Related Party Vendor is approved by the Chief Executive Officer, Chief Financial Officer and General Counsel in accordance with the Company's Vendor Management Program, or in the case the request is relying on an exemption covered in item (iv) above, the Related Party Vendor is approved by the Chief Financial Officer, Chief Compliance Officer and General Counsel. Furthermore, all Related Party Vendors must meet or exceed the onboarding criteria set forth in the Company's Vendor Management Program and comply at all times with the Company's Supplier Code of Conduct. In addition, any services procured from approved Related Party Vendors must be at arm's length and employees must conduct business with each Related Party Vendor without perceived or actual preferential treatment to comparable third-party vendors that supply similar products or services. All approved Related Party Vendors are also subject to ongoing monitoring by the Company to ensure that: (i) the above-noted approval process was followed; (ii) the Related Party Vendor was on-boarded, and is being monitored, in accordance with the Vendor Management Program; and (iii) the fees paid, and the order volume, is consistent with third-party vendors who are delivering similar services or products. The Audit Committee's mandate requires the Audit Committee to regularly review related party transactions, including overseeing the applicable policies and procedures. At each Audit Committee meeting, the Company's management provides an update to the Audit Committee on any related party transactions that occurred during the prior quarter.

A copy of the Code may be obtained by contacting the Company's Corporate Secretary and is also available for review under the Company's SEDAR profile at www.sedar.com and on the Company's website at www.realmatters.com under the "Investors" section.

Shareholder Engagement

The Company seeks to communicate with Shareholders through a variety of channels, including through its annual report, management information circular, quarterly reports, annual information form, news releases, website, presentations at its annual meeting of Shareholders, virtual or in person one-on-one and group meetings as well as at industry conferences. The Company also holds conference calls for quarterly earnings releases and major corporate developments as soon as practicable after they are publicly disclosed, and these calls are accessible to the public simultaneously (by telephone and through webcasts) and through archived material posted on the Company's website. In fiscal 2021, the Company held its second Investor Day, which was webcast live and was nominated for Best Investor Event by IR Magazine Canada.

Shareholder feedback is received through one-on-one and group meetings between management and institutional Shareholders and at the annual meeting of Shareholders, as well as by e-mail or telephone contact. As appropriate, relevant Shareholder concerns are addressed promptly by the Vice President, Investor Relations and Corporate Communications and contact details for the Vice President, Investor Relations and Corporate Communications are published in the Company's news releases and on the Company's website. Shareholders may also make their views known to the Board of Directors and the Company's management by voting their Shares with respect to any matters submitted to Shareholders for approval.

Management is principally responsible for Shareholder communications and engagement, and the Company's Chief Executive Officer and Executive Vice President and Chief Financial Officer are the Company's official spokespersons. As both a Director and senior executive, the Chief Executive Officer is in the best position to communicate the views of the Board of Directors and the Company's management to Shareholders. From time to time, the Chief Executive Officer may authorize a limited number of spokespersons to communicate to the media and/or the investor community about the Company and/or its financial results.

Shareholders may communicate their views to the Board of Directors and the Company's management by sending a message to ir@realmatters.com. In addition, questions, complaints or concerns about the Company's business practices, including fraud, policy violations, any illegal or unethical conduct and any accounting, auditing or internal control matters may be reported through the Company's whistleblower hotline. See "*Statement of Corporate Governance Practices – Ethical Business Conduct*" for further details relating to the Company's whistleblower hotline.

The Board of Directors is ultimately responsible for the supervision of the discharge by management of its Shareholder communication and engagement responsibilities, and the Board of Directors has approved the Company's Disclosure Policy. At each quarterly Board meeting, management reports to the Board of Directors on material Shareholder comments and

feedback it receives. Should a Shareholder wish to engage directly with the Board of Directors, such Shareholder should communicate any questions or concerns to the Company's independent Directors through the Lead Independent Director by sending a message to board@realmatters.com.

All relevant correspondence sent to board@realmatters.com, with the exception of solicitations for the purchase or sale of products and services and other similar types of correspondence, will be forwarded to the Lead Independent Director. Purely for administrative purposes, correspondence to the Lead Independent Director may be opened or viewed by the Company's Vice President, Investor Relations and Corporate Communications or its General Counsel.

Information Security Program

The Company's Audit Committee (which is composed entirely of independent Directors) is responsible for providing oversight over the Company's risk management policies and procedures, including information security risk. At least annually, Real Matters' Chief Technology Officer and Chief Information Security Officer provide the Audit Committee with a detailed overview of the Company's information technology controls and cybersecurity framework. In addition, at each Audit Committee meeting, Real Matters' Vice-President, Risk and Internal Controls provides the Audit Committee with an update on information security matters. Furthermore, at least annually, Real Matters' General Counsel provides the Audit Committee with an overview of the Company's insurance portfolio, including the limits, deductibles and premiums for its various insurance coverages (including cyber insurance), and provides the Audit Committee with a due diligence report prepared by the Company's insurance broker which addresses the adequacy of the Company's insurance coverage relative to its peers.

Given the stringent data security requirements imposed on the Company by its clients, the Company views the protection of client and consumer information to be a strategic imperative that is critical to the Company's long-term success. As such, the Company has implemented a wide-ranging information security program based on the U.S. National Institute of Standards and Technology ("**NIST**") Cyber Security Framework ("**CSF**"). Significant components of the Company's information security program include:

- independent external security assurance via a Service Organization Control 2 ("**SOC 2**") report conducted in accordance with the American Institute of Certified Public Accountants ("**AICPA**") attestation standards;
- compliance with the Payment Card Industry's Data Security Standard ("**PCI-DSS**") for in-scope payment systems;
- operational controls and processes aligned to industry best practices;
- management approved policies and standards, including a Security Incident Response Policy and Ransomware Response Policy;
- integrated risk management practices connecting Information Security, Enterprise Risk, Technology, Operations, Legal, Compliance and Executive Leadership;
- regular internal and external assessments of the Company's information security posture, including undertaking annual third-party penetration tests and ongoing third-party assessments of the Company's information technology footprint;

- annual Company-wide cyber security and privacy training for all employees, including monthly social engineering testing to assess awareness;
- undertaking mock incident training exercises (e.g. ransomware) with key personnel;
- risk prioritized diligence of, and extensive information security contractual requirements for, third-party vendors engaged by the Company who have access to sensitive information; and
- full-time, dedicated information security resources, including a Chief Information Security Officer (who reports directly to the Chief Technology Officer) and a dedicated security budget.

The Company regularly reviews its information security program to help ensure that contractual and regulatory information security and privacy requirements are being adhered to and that risks to the confidentiality, integrity and availability of confidential information and systems are at acceptable levels in line with industry standards and the Company's risk profile. In addition, the Company is regularly subject to, and passes, extensive information security audits from several of its largest clients in the U.S. and Canada. Since the Company's formation in November 2004, the Company has not experienced an unauthorized intrusion or infiltration into the Company's systems that resulted in a data breach.

Management Succession Planning

The CNGC, which is comprised entirely of independent Directors, is responsible under its mandate for assisting the Board with overseeing management succession planning. At least annually, the Chief Executive Officer works with the CNGC and recommends to the Board the succession plan for the Chief Executive Officer, the Chief Financial Officer and the executive management team. The annual management succession planning process also includes providing for one or more potential temporary successors in the event of a sudden incapacitation of any of these individuals. In fiscal 2022, the Chief Executive Officer developed a management succession plan which was presented to the CNGC for approval at the April 27, 2022 CNGC meeting. The management succession plan was approved by the CNGC at that meeting and subsequently approved by the Board at the April 27, 2022 Board meeting. In addition, in fiscal 2022, the Company continued to develop succession plans for key members of the senior management team, being individuals who report directly to a member of the executive management team.

The Company's process for management succession planning involves the identification and consideration of potential internal and external candidates based on various factors, including, without limitation: (i) relevant skills and experience; (ii) market and industry expertise; (iii) past successes in achieving corporate goals; (iv) diversity and (v) personal characteristics required to succeed in the applicable role. Succession planning for the role of Chief Executive Officer, executives and other key senior management roles is regularly discussed between the CNGC and the Chief Executive Officer during the in camera session of CNGC meetings without other members of management present, with periodic updates provided to the Board during the in camera session of Board meetings to ensure alignment with the broader Board.

Board Succession Planning and Nomination of Directors

The CNGC, which is comprised entirely of independent Directors, is responsible for overseeing the Board's succession planning. This responsibility includes: (i) assessing, at least annually, the skills, competencies, experiences, personal characteristics and diversity of the existing Board members, including reviewing the annual self-assessment director skills questionnaire completed by each Director and the summary results of the Board effectiveness survey and peer evaluation review; and (ii) determining the skills, competencies, experiences, personal characteristics and diversity that potential new Director nominees would ideally possess, taking into account the Company's strategic direction, opportunities and key business risks. Although the Director skills questionnaire is focused on specific skills and experience, the Company also recognizes that each Director's character, integrity, judgment, independence and diversity contribute to the quality of the Board's decision-making and enhance the overall management of the Company's business affairs.

The table below sets forth the mix of skills and experience of the Director nominees, as determined based on the self-assessment skills questionnaire completed by each Director nominee. A check mark next to a Director nominee's name indicates that such Director nominee has at least significant operational experience and knowledge in the particular area.

Compensation

At least annually, the CNGC reviews Director and executive compensation and makes recommendations to the Board. With respect to its assessment of Director compensation, the CNGC takes into account the anticipated time commitment for each Director, the compensation offered to directors by other public companies of similar size, the risks and responsibilities that the Directors assume in fulfilling their duties on the Board and any committee of the Board and the Company's overall compensation philosophy. With respect to its assessment of executive compensation, the CNGC takes into account the executive's scope of responsibilities, the compensation paid by other companies in the Company's peer group for similar positions, the executive teams' achievement of a number of pre-determined

performance targets and objectives and the Company's overall compensation philosophy. The Company's approach to Director and executive compensation is discussed in the "Executive Compensation" section of this Circular.

Board Tenure and Retirement

The Company's independent Director nominees have served on the Board for tenures ranging from just under one year to six and a half years. Jason Smith, the Executive Chairman of the Company, has served on the Board for 18 years and Brian Lang, the Chief Executive Officer of the Company, has served on the Board for two years. The Company does not have a mandatory age for the retirement of Directors as the Company is focused on building a Board with the skills and expertise necessary to provide strong oversight for the Company, regardless of age. On May 4, 2020, the CNGC recommended a maximum term limit for Directors, which was subsequently approved by the Board at the July 29, 2020 Board meeting. Effective as of July 29, 2020 (the "**Term Limit Effective Date**"), all existing Directors (other than Jason Smith, as founder) are subject to a maximum Board term limit of 12 years commencing on the Term Limit Effective Date (i.e. existing Directors can remain on the Board for an additional 12 years from the Term Limit Effective Date). All new Directors will be subject to a maximum Board term limit of 12 years commencing upon their appointment to the Board. The Company has not adopted any maximum term limits for serving on a Committee or as Committee Chair.

The Board recognizes that some Director turnover is necessary to introduce fresh ideas and perspectives, which must be balanced against the need for Directors with increased insight into the Company gained over their years of service on the Board. At least annually, the CNGC considers the current size and composition of the Board and makes recommendations to the Board, as necessary, regarding potential changes. On April 27, 2022, the CNGC decided not to recommend making any immediate change to the size or composition of the Board, and subsequently, to continue its focus on achieving a more diverse Board when recruiting new Director nominees to join the Board. In addition, the CNGC recommended that management continue to explore the idea of moving to a smaller Board size in the future, while still maintaining its objective of achieving a more diverse Board composition. Currently, 28.6% of the Director nominees have been on the Board for less than three years and 85.7% of the Director nominees have been on the Board for less than seven years.

Assessment of Board Performance

At least annually, the CNGC evaluates the skills, competencies, experiences, personal characteristics and diversity of the Board to ensure that there is an appropriate mix of relevant skills, competencies and experience and sufficiently diverse opinions and perspectives on the Board to support balanced discussion and debate. At the discretion of the CNGC, the CNGC may also conduct a formal survey of the Directors and/or solicit informal feedback from members of the Board with respect to their views on the effectiveness of: (i) the Board; (ii) the Executive Chairman; (iii) the Lead Independent Director; (iv) each committee of the Board, including its Chair; and (v) the overall contribution of each individual Director.

As part of its annual Board evaluation process, the Executive Chairman and the Chair of the CNGC seeks informal feedback from Board members throughout the year on the effectiveness of the Board and the overall contribution of individual Directors. In addition, in

October 2022, the Board once again conducted a formal evaluation to assess the overall effectiveness of the Board and each Board Committee. As part of the assessment, each Director (other than the Chief Executive Officer) completed a detailed questionnaire which asked them to provide a quantitative ranking on a number of topics relating to the Board and each Board Committee upon which they serve. A summary report was provided to the CNGC on a non-attributed basis and discussed at the November 3, 2022 CNGC meeting. Furthermore, in October 2022, each Director (other than the Chief Executive Officer) also completed a peer evaluation survey which sought quantitative feedback on the performance of each of the other Directors (other than the Chief Executive Officer) to assess the individual contributions of each such Director to the Board. The summary results of the peer evaluation survey were shared with the Executive Chairman on a non-attributed basis. Finally, an annual performance review is completed for both the Executive Chairman and Chief Executive Officer. The annual performance review for the Chief Executive Officer is completed by the Executive Chairman with input from the Lead Independent Director and CNGC Chair, whereas the annual performance review for the Executive Chairman is a self-assessment review with feedback from the Lead Independent Director and CNGC Chair.

Diversity of the Board of Directors and Executive Officers

Real Matters recognizes and embraces the benefits of having diversity on the Board of Directors and in its executive officers. The Company respects and values, among other things, differences in race, national or ethnic origin, culture, language, socioeconomic background, religious or political belief, age, sexual orientation, gender identity or expression, marital status, family status, genetic characteristics, disability, military or veteran status and other categories protected under applicable laws, and appreciates the benefits arising from Board, executive officer and employee diversity. Real Matters also recognizes that Board and executive officer appointments must be based on performance, ability and potential. While the Company ensures a merit-based competitive process is followed for Director and executive officer appointments, the Company takes diversity considerations into account when identifying, evaluating and recommending Director nominees and executive officer appointments by monitoring the level of diversity on the Board and in executive officer positions, which may include broadening recruitment efforts to attract and interview diverse candidates when applicable.

With respect to Board composition, the CNGC is responsible for: (i) establishing the process for identifying, evaluating and recommending suitable Director nominees for appointment to the Board of Directors, which is guided by a number of factors, including, amongst others, the overall diversity of the Board; and (ii) considering, and if determined advisable, recommending for adoption, one or more objectives for achieving increased diversity on the Board, including establishing measurable goals. Similarly, with respect to executive officer appointments, the CNGC and the Board is responsible for: (i) assessing the effectiveness of the process for identifying, evaluating and appointing executive officers which is guided by a number of factors including, amongst others, the overall diversity of executive officers; and (ii) considering and, if determined advisable, recommending for adoption, one or more objectives for achieving increased diversity in executive officer positions, including establishing measurable goals.

The Board has not yet adopted a formal diversity policy or any targets regarding the number of: (i) women; (ii) members of visible minorities; (iii) Aboriginal persons; or (iv) persons with disabilities (collectively, the “**Designated Groups**”) on the Board as it believes that it currently has a high-performing and effective Board with the right mix of skills, competencies and experience. The Board is mindful that changes to the current size or composition of the Board could adversely impact the current Board dynamic and effectiveness and is therefore reluctant to establish a formal Board diversity policy or targets at this time. Nevertheless, the Board is committed to having a more diverse Board composition that complements or enhances the Board's current dynamic, effectiveness, skills, competencies and experience, and has broadened its recruitment efforts to attract diverse candidates for future Board appointments, including the process utilized in its search for a new Director nominee in fiscal 2022, which resulted in the recruitment of Karen Martin to the Board. Following the Meeting, and assuming that all the proposed Director nominees are elected, the number of women on the Board of Directors will be two, representing 28.6% of the Board of Directors (previously 25.0%) as a result of the smaller Board size, and representing 40% of the independent Directors.

Similarly, while the Company has not yet adopted a formal diversity policy or any targets regarding the number of Designated Groups in executive officer positions, the Company is committed to employing a diverse workforce at all levels throughout the organization. As part of its annual strategic planning process in fiscal 2020, the Company prepared a detailed plan regarding the Company's five-year strategy for people and culture, including its diversity, equality and inclusion initiatives, which was discussed with the Board during the education session that took place prior to the November 19, 2020 Board meeting. In fiscal 2020, the Company focused on removing any systemic barriers with current recruitment practices to attract a more diverse group of candidates, which has now been engrained into the Company's recruitment practices. Furthermore, in fiscal 2021, the Company implemented a formalized training program for its recruitment team related to diversity, equity and inclusion. In addition, the Company's People & Culture team has developed consistent practices around job promotions and pay practices to reduce the risk of inherent or actual bias. The Company believes that pursuing a more diverse workforce through its recruitment efforts and ensuring consistent practices are followed around job promotions and pay practices will help build the foundation for a more diverse senior management team (including executive officers) in the future as existing employees are promoted into these roles. The Company believes that the above-noted initiatives, as well as its five-year strategy for people and culture, will enable the Company to achieve diversity throughout the organization, including amongst its executive officers.

As of the date of this Circular, Real Matters has a total of 8 Directors, 7 of whom are proposed Director nominees at the Meeting. In addition, Real Matters and its subsidiaries have a total of 10 executive officers (which includes two individuals who are also Directors). The number and proportion of Directors and executive officers who self-identify as being a member of each of the four Designated Groups are as follows:

To be successful in this market, Real Matters is reliant on attracting, motivating and retaining a team of highly talented executives who possess strong leadership skills, management capabilities and domain expertise and who will contribute positively to Real Matters' long-term success. Real Matters currently compensates its executives through a compensation program designed to achieve the following objectives:

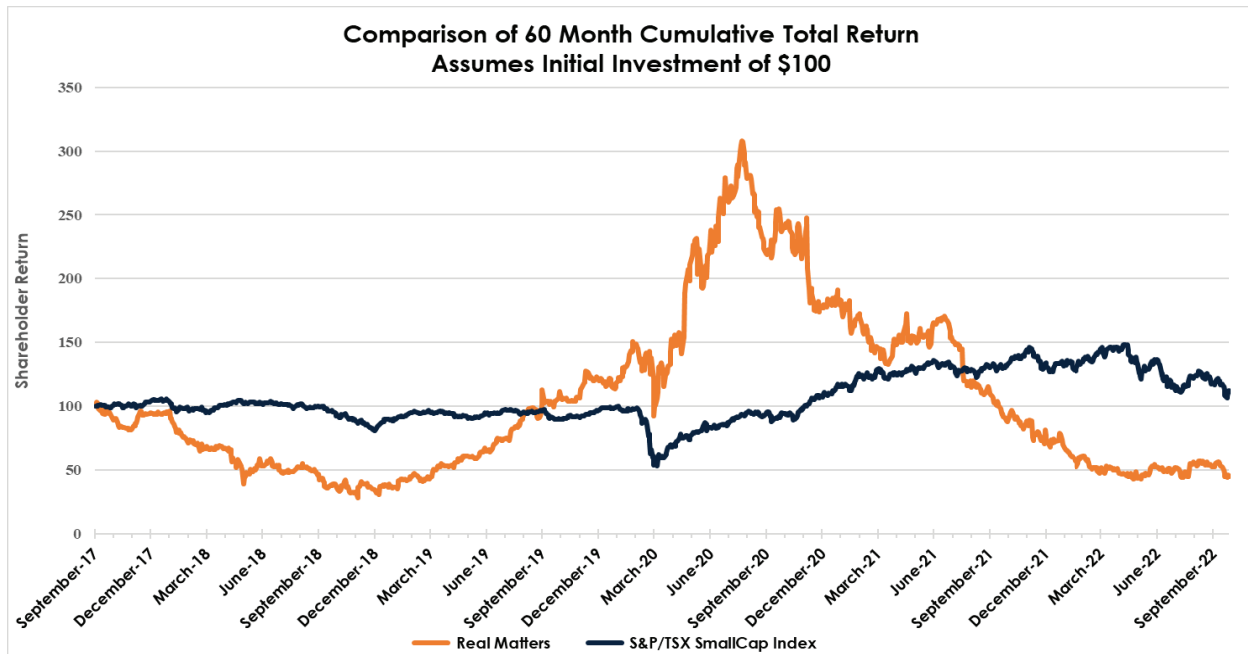

- to attract and retain talented, long-term performance oriented and experienced executives whose expertise, skills, judgment and performance are critical to the Company's long-term success;
- to motivate executives to achieve the Company's strategic vision, mission and values and long-term business objectives;
- to encourage a team-based approach amongst the Company's executives through a general alignment of each executive's compensation;
- to align the interests of the Company's executives with those of its Shareholders by tying a meaningful portion of compensation directly to the Company's short-term and long-term performance; and
- to encourage the appropriate level of risk-taking by the Company's executives.

The Company's executive compensation program is currently comprised of three elements: (i) base salary; (ii) a variable short-term cash incentive payment; and (iii) variable long-term equity incentives. Both the variable short-term cash incentive payment and variable long-term equity incentives represent "at risk" compensation that may, in the Board's sole discretion, be paid in full, in part or not at all, based upon the recommendation of the CNGC. In fiscal 2022, the total target variable compensation for each executive (other than Brian Lang and Jason Smith) was as follows: (i) a variable short-term cash incentive payment equal to 25% of base salary; and (ii) variable long-term equity incentive compensation equal to 25% of base salary. All variable compensation, regardless of whether the executive's base salary is paid in Canadian or U.S. dollars, is valued in Canadian dollars (e.g. in fiscal 2022, the target variable

short-term cash incentive compensation for a U.S. executive earning a base salary of US\$420,000 was C\$105,000 and the target variable long-term equity incentive compensation for a U.S. executive earning a base salary of US\$420,000 was C\$105,000). In fiscal 2022, Brian Lang's target variable short-term cash incentive payment was equal to 25% of his base salary and his target variable long-term equity incentive compensation was equal to 50% of his base salary, as per the terms of his employment agreement. In fiscal 2022, Jason Smith's target variable short-term cash incentive was equal to 50% of his base salary and his target variable long-term equity incentive compensation was equal to 25% of his base salary.

Performance Graph

The following graph compares the total cumulative shareholder return from October 1, 2017 to September 30, 2022 of a \$100 investment in shares in the capital of Real Matters against the total cumulative shareholder return of a \$100 investment in the S&P/TSX Small Cap Index during the same period, in each case, assuming the re-investment of any dividends. The S&P/TSX Small Cap Index was selected as the comparator index as it is an investment vehicle designed to provide investors with a return that reflects the performance of an index of stocks with small market capitalizations and, in fiscal 2022, included shares in the capital of Real Matters.

As illustrated by the graph above, as of September 30, 2022, the total cumulative shareholder return from an investment made in Real Matters on October 1, 2017 was less than the total cumulative return from a similar investment made in the S&P/TSX Small Cap Index on the same date. A \$100 investment in Real Matters made on October 1, 2017 would be worth \$44.60 on September 30, 2022, whereas a similar investment in the S&P/TSX Small Cap Index on October 1, 2017 would be worth \$112.23 on September 30, 2022. While the total cumulative shareholder return from an investment made in Real Matters on October 1, 2017 did not exceed the total cumulative return from a similar investment made in the S&P/TSX Small Cap Index until

August 2019, the Company's stock price significantly outperformed the S&P/TSX Small Cap Index in both fiscal 2019 and fiscal 2020. However, in fiscal 2021, the increase in the S&P/TSX Small Cap Index together with the decline in the Company's stock price resulted in the S&P/TSX Small Cap Index significantly outperforming the Company's stock price during that fiscal year. Similarly, the decline in the Company's stock price in fiscal 2022 largely due to the unprecedented U.S. mortgage market headwinds faced by the Company, resulted in the S&P/TSX Small Cap Index significantly outperforming the Company's stock price during fiscal 2022.

Although the salaries of the Company's executives are not directly linked to share performance, the variable long-term equity incentive awards, which currently constitute a significant portion of each executive's compensation, are directly linked to the Company's share price. Furthermore, the Board of Directors, based upon the recommendation of the CNGC, determines both the variable short-term cash incentive payment and variable long-term equity incentive compensation granted to the Company's executives in the current year based on the executive teams' achievement of a number of pre-determined performance targets and objectives. Both the variable short-term cash incentive payment and variable long-term equity incentive compensation represent "at risk" compensation that may, in the Board's sole discretion, be paid in full, in part or not at all. From fiscal 2018 onwards, being the first full year that Real Matters was a publicly listed company, the "at risk" compensation paid to the Company's NEOs (as defined below) each year generally aligned with the Company's stock performance, with executive compensation increasing as the share price increased on a year-over-year basis and executive compensation decreasing as the share price declined on a year-over-year basis.

Compensation Consultants

In June 2021, the Company retained Mercer (Canada) Limited ("**Mercer**"), an independent consulting firm, to conduct an assessment of the Company's current cash and equity-based incentive compensation arrangements for its executive team, including base salary, variable short-term incentive compensation and variable long-term equity incentive compensation, as compared to similar roles at the selected peer group companies, and to assess the Company's competitive positioning with respect to its executive compensation relative to the benchmarking data. In light of the work completed by Mercer during the fiscal year ended September 30, 2021, the CNGC determined that it was not necessary to engage any consultants or advisors for services relating to the determination of compensation for the Company's executives or Directors during the fiscal year ended September 30, 2022.

The fees paid to Mercer for the fiscal years ended September 30, 2022 and September 30, 2021 were as follows:

Fiscal Year Ended	Executive-Compensation Related Fees	All Other Fees
September 30, 2022	Nil	Nil
September 30, 2021	\$17,306	Nil

Benchmarking

In making compensation decisions, the Company has identified a peer group of 14 companies for the purpose of benchmarking executive compensation. The peer group is subject to change, but is currently composed exclusively of publicly-traded North American software companies that were determined to be similar in size to the Company on the basis of revenue and market capitalization at the time of selection (i.e. within 0.25 times the Company's revenue and market capitalization on the low end and no more than 4 times each measure on the high end). The peer group for fiscal 2022 includes the following companies:

Absolute Software Corporation (TSX)	Blucora, Inc. (NASDAQ)	Calian Group Ltd. (TSX)	Domo Inc. (NASDAQ)
Dye & Durham Corporation (TSX)	Ebix, Inc. (NASDAQ)	Edgio Inc. (NASDAQ)	Enghouse Systems Limited (TSX)
IBI Group Inc. (TSX)	Information Services Corporation (TSX)	Model N, Inc. (NASDAQ)	QuinStreet, Inc. (NASDAQ)
Redfin Corporation (NASDAQ)	Sierra Wireless, Inc. (TSX)		

Overall, compared to the above-noted peer group, the Company was positioned, at the time of the peer group selection, at the 73rd percentile in terms of total revenue. The total compensation paid by the Company to each of its NEOs (as defined below) in fiscal 2022 falls below this percentile when compared to the comparable position in the above-noted peer group.

Managing Compensation-Related Risk

At least annually, the CNGC considers the risks associated with the Company's incentive compensation plans for its Directors, executives and employees. The CNGC has concluded that the compensation policies and plans are consistent with the Company's broader corporate philosophy of promoting a long-term, team-based approach to delivering ongoing performance, while, at the same time, not encouraging inappropriate or excessive risk-taking by its executives or employees.

Minimum Share Ownership Guidelines for Executives and Directors

Effective as of December 1, 2020, the Board has adopted the minimum share ownership guidelines set forth below to further align the interests of the Company's executives and Directors with the interests of Shareholders (the "**Share Ownership Guidelines**"). The Share Ownership Guidelines for executives are set as a multiple of the executive's annual base salary. The Share Ownership Guidelines for non-executive Directors are set as a multiple of the annual cash retainer paid to such Directors for serving on the Board.

Position	Ownership Requirement⁽¹⁾
Chief Executive Officer	3 times annual base salary
Executive Chairman	3 times annual base salary
Chief Operating Officer ⁽²⁾	2 times annual base salary
All Other Executive Officers	1 times annual base salary
Non-Executive Directors	3 times annual cash retainer

Notes:

- (1) As all variable compensation, regardless of whether the executive's base salary is paid in Canadian or U.S. dollars, is valued in Canadian dollars, the Share Ownership Guidelines also treat all executives as being paid in Canadian dollars. For example, an executive who is paid an annual base salary of US\$420,000 would have target variable short-term incentive compensation of C\$105,000 and target variable long-term equity incentive compensation of C\$105,000, notwithstanding that such executive's base salary is paid in U.S. dollars. As such, since all target variable incentive compensation treats the base salary as being paid in Canadian dollars, such executive is also subject to a minimum share ownership requirement of C\$420,000.
- (2) The Chief Operating Officer role is currently vacant.

For purposes of the Share Ownership Guidelines, both Shares as well as restricted share units ("**RSUs**"), whether vested or unvested, will count towards satisfying an individual's applicable minimum share ownership requirement. However, Shares underlying unexercised stock options, regardless of whether or not they are vested, will not count towards satisfying such requirement.

Individuals subject to the Share Ownership Guidelines will be required to achieve the applicable ownership requirement within five years after first becoming subject to the requirement. If an individual becomes subject to a greater ownership requirement (e.g. due to a promotion or increase in annual base salary/cash retainer), such individual will have an additional two years to meet the higher ownership threshold, but is still required to meet the original ownership requirement within five years after first becoming subject to the requirement.

Share prices of publicly-traded companies are subject to market volatility. The Board believes that it would be unfair to require an executive or Director to purchase additional Shares simply because the Company's share price drops temporarily. Therefore, in the event that there is a decline in Real Matters' share price that causes an individual to fall below the applicable threshold, such individual will be required not to sell or transfer any of his or her Shares (other than sales to satisfy any tax obligations arising from the settlement of vested RSUs) until the applicable threshold has once again been achieved.

The following table identifies the Share ownership levels of each of the non-executive Director nominees, as of close of business on November 30, 2022, with reference to the minimum ownership requirements required by the Share Ownership Guidelines:

Name	Minimum Ownership Requirement	Market Value of Common Shares	Market Value of RSUs	Market Value of Shareholdings⁽¹⁾	Market Value of Shareholdings as a Multiple of Minimum Ownership Requirement	Minimum Ownership Requirement Achieved?⁽²⁾
Garry Foster ⁽³⁾	\$195,000	\$94,623	\$147,557	\$242,180	1.2x	Yes
Karen Martin	\$112,500	\$63,648	\$106,975	\$170,623	1.5x	Yes
Frank McMahon	\$112,500	\$51,000	\$122,960	\$173,960	1.6x	Yes
Lisa Melchior	\$105,000	\$85,876	\$117,960	\$203,836	1.9x	Yes
Peter Vukanovich	\$120,000	\$27,528	\$124,766	\$152,294	1.3x	Yes

Notes:

- (1) Market value of shareholdings is calculated by multiplying the number of Shares and RSUs held by the Director on November 30, 2022 by the \$4.08 TSX closing price of the Shares on November 30, 2022, being the two year anniversary of the date that the Share Ownership Guidelines came into effect.
- (2) The deadline for each Director (other than Ms. Martin) to satisfy the applicable minimum ownership requirement is November 30, 2025. The deadline for Ms. Martin to satisfy her applicable minimum ownership requirement is January 31, 2027.
- (3) If re-elected as a Director, Mr. Foster's minimum ownership requirement will be increased to \$210,000 following his appointment as a member of the CNGC. Mr. Foster will have an additional two years to satisfy this increased minimum ownership requirement.

The following table identifies the Share ownership levels of each of the NEOs (as defined below), as of November 30, 2022, with reference to the minimum ownership requirements required by the Share Ownership Guidelines:

Name	Minimum Ownership Requirement⁽¹⁾	Market Value of Common Shares	Market Value of RSUs	Market Value of Shareholdings⁽²⁾	Market Value of Shareholdings as a Multiple of Minimum Ownership Requirement	Minimum Ownership Requirement Achieved?⁽³⁾
Brian Lang	\$1,890,000	\$22,032	\$464,920	\$486,952	0.3x	No
William Herman	\$420,000	\$78,336	\$154,972	\$233,308	0.6x	No
Jason Smith	\$1,575,000	\$13,202,672	\$193,719	\$13,396,391	8.5x	Yes
Robert Smith ⁽⁴⁾	N/A	N/A	N/A	N/A	N/A	N/A
Loren Cooke	\$420,000	\$465	\$155,359	\$155,825	0.4x	No
Kim Montgomery	\$420,000	\$0	\$154,972	\$154,972	0.4x	No

Notes:

- (1) As all variable compensation, regardless of whether the executive's base salary is paid in Canadian or U.S. dollars, is valued in Canadian dollars, the Share Ownership Guidelines also treat all executives as being paid in Canadian dollars. For example, an executive who is paid an annual base salary of US\$420,000 would have target variable short-term incentive compensation of C\$105,000 and target variable long-term equity incentive compensation of C\$105,000, notwithstanding that such executive's base salary is paid in U.S. dollars. As such, since all target variable incentive compensation treats the base salary as being paid in Canadian dollars, such executive is also subject to a minimum share ownership requirement of C\$420,000.
- (2) Market value of shareholdings is calculated by multiplying the number of Shares and RSUs held by the NEO on November 30, 2022 by the \$4.08 TSX closing price of the Shares on November 30, 2022, being the two year anniversary of the date that the Share Ownership Guidelines came into effect.
- (3) The deadline for each NEO to achieve the applicable minimum ownership requirement is November 30, 2025.
- (4) Mr. Robert Smith ceased to be an employee of Solidifi Title & Closing, LLC (an affiliate of Real Matters) ("**Solidifi Title**") on June 10, 2022. As such, he is no longer subject to the Share Ownership Guidelines.

Incentive Compensation Recoupment Policy

Effective as of August 1, 2020, Real Matters implemented a Recoupment Policy which applies to: (i) the Chief Executive Officer; (ii) the Chief Operating Officer; (iii) the Chief Financial Officer; and (iv) such other executives that the Board designates as "covered employees" from time to time¹ (collectively, the "**Covered Employees**"). Subject to certain exceptions, the Recoupment Policy is triggered if, within one year from the date the financial statements are publicly filed, there is a restatement of Real Matters' financial statements due to material non-compliance with financial reporting requirements under applicable accounting and/or securities laws (a "**Restatement**"). Upon the occurrence of a Restatement, the Board is entitled to claw back any Incentive Compensation (as defined below) that would not have otherwise been granted or paid, or become payable, to the Covered Employees based upon the restated financial results. For purposes of the Recoupment Policy, "**Incentive Compensation**" means any compensation from the Company that is related to achieving financial or other performance goals, including variable short-term incentives and variable long-term equity incentives.

Financial Instruments

The Company's executives (including the NEOs (as defined below)) and Directors are not permitted to hedge any shares or equity-based awards of the Company.

Components of Executive Compensation

The Company's executive compensation program is currently comprised of three elements: (i) base salary; (ii) a variable short-term cash incentive payment; and (iii) variable long-term equity incentives. Both the variable short-term cash incentive payment and variable long-term equity incentives represent "at risk" compensation that may, in the Board's sole discretion, be paid in full, in part or not at all, based upon the recommendation of the CNGC. In

¹ Effective as of November 20, 2020, the Board designated the Executive Chairman as a Covered Employee.

fiscal 2022, the total target compensation for each executive remained unchanged from the prior two years.

Salary

Salary is a fixed part of the compensation package for executives and is established based on the executive's scope of responsibilities, taking into account compensation paid by other companies in the Company's peer group for similar positions. The salaries of the Company's executives are reviewed annually and may be adjusted in light of the executive teams' achievement of a number of pre-determined performance targets and objectives, with consideration also given to overall market competitiveness.

Variable Short-Term Cash Incentive Payment

The purpose of the variable short-term cash incentive payment is to motivate executives to meet a number of pre-determined annual performance targets and objectives. The performance targets and objectives include both financial metrics (including financial objectives related to U.S. Appraisal and U.S. Title market adjusted growth, U.S. Appraisal Net Revenue Margin per unit, U.S. Appraisal Cost to Serve per unit, Consolidated Revenue, Net Revenue and Adjusted EBITDA)² and non-financial metrics (including non-financial objectives related to team development and culture, market share growth and lender engagement, program and platform development activities, corporate development and strategic Board engagement and investor and analyst engagement), all of which are related to the Company's strategic plans. The variable short-term cash incentive payment represents "at risk" compensation for executives as it may, in the Board's sole discretion, be paid in full, in part or not at all, based upon the recommendation of the CNGC. The variable short-term cash incentive payment awarded to executives is a discretionary award informed by a scorecard assessment of the Company's achievement of the pre-determined annual performance targets and objectives established for the applicable fiscal year. As part of the assessment process, the Chief Executive Officer completes a self-assessment of the Company's performance in achieving the pre-determined targets and objectives for the fiscal year, which is then supplemented with a formal review and assessment by the Executive Chairman with input from the Lead Independent Director and CNGC Chair. The CNGC then utilizes the overall scorecard results to develop its recommendation to the Board with respect to the variable short-term cash incentive payment to be awarded to executives for the particular fiscal year, which determination is entirely discretionary in nature and not based upon a formulaic calculation. As a result of the Company's performance during the fiscal year ended September 30, 2022, including the significant decline in the Company's share price on a year-over-year basis largely due to the unprecedented U.S. mortgage market headwinds faced by the Company, no variable short-term cash incentive payment was awarded to the Company's executives for the fiscal year ended September 30, 2022.

² Each of Net Revenue Margin, Net Revenue and Adjusted EBITDA are non-GAAP measures which are more fully defined and discussed in the Company's Management Discussion & Analysis for the year ended September 30, 2022 under the heading "Non-GAAP measures".

Variable Long-Term Equity Incentives

The purpose of variable long-term equity incentives is to provide the Company with an equity-related mechanism to attract, motivate and retain qualified directors, executives and other key employees and to provide additional long-term equity compensation to such individuals for their contributions toward the long-term goals and success of the Company. Variable long-term equity incentives represent "at risk" compensation for executives as it may, in the Board's sole discretion, be paid in full, in part or not at all, based upon the recommendation of the CNGC. Variable long-term equity incentives awarded to executives is a discretionary award informed by a scorecard assessment of the Company's achievement of the pre-determined annual performance targets and objectives established for the applicable fiscal year. See "Executive Compensation – Compensation Discussion and Analysis – Components of Executive Compensation – Variable Short-Term Cash Incentive Payment" for further details regarding the financial metrics and non-financial metrics comprising the pre-determined annual performance targets and objectives for the variable long-term equity incentive component of executive compensation as well as the process by which the discretionary, variable long-term equity incentive award for fiscal 2022 was determined. In light of the Share Ownership Guidelines for executives, the decision not to award any variable short-term cash incentive payment to the Company's executives for the fiscal year ended September 30, 2022 and to align the interests of the Company's executives with those of its Shareholders by tying a meaningful portion of compensation directly to the Company's long-term performance, 100% of the target variable long-term equity incentive compensation was awarded to the Company's executives for the fiscal year ended September 30, 2022.

Variable long-term equity incentives may be granted pursuant to the Company's 2017 long-term equity incentive plan ("**LTIP**") or the Company's 2022 Equity Incentive Plan ("**EIP**")

Subject to the adjustment provisions provided for in the LTIP, the total number of Shares that may be issued from treasury pursuant to awards granted under the LTIP shall not exceed 10,813,928 Shares.³ To the extent any awards under the LTIP are cancelled for any reason prior to exercise in full or are otherwise surrendered to the Company, except surrenders relating to the payment of the purchase price of any such award or the satisfaction of the tax withholding obligations relating to any such award, the Shares subject to such awards (or portion(s) thereof) shall be added back to the number of Shares issuable under the LTIP and shall be available for issuance upon the exercise of future awards granted under the LTIP. For purposes of the LTIP, a grant of an option shall reduce the amount of Shares available for issuance under the LTIP by one Share and a grant of an RSU or performance share unit (a "**PSU**") shall reduce the amount of Shares available for issuance under the LTIP by 2.75 Shares, notwithstanding that each vested RSU or PSU that is settled in Shares issued under the LTIP will be settled for one Share or the cash equivalent of one Share.

The number of Shares issuable to insiders under the LTIP and all other security-based compensation arrangements of the Company at any time cannot exceed 10% of the issued and outstanding Shares. The number of Shares issued to insiders within any one-year period

³ The 10,813,928 Shares that may be issued pursuant to awards granted under the LTIP (which was established in connection with the IPO) represented 14.9% of the issued and outstanding Shares as of September 30, 2022.

under the LTIP and all other security-based compensation arrangements of the Company cannot exceed 10% of the issued and outstanding Shares. In addition, no more than 1,000,000 Shares may be awarded to any single participant in any one calendar year, representing, in the aggregate, 1.4% of the Shares issued and outstanding as of September 30, 2022.

The LTIP is currently administered by the Board based upon the recommendations of the CNGC. The Board is responsible for determining which employees, Directors and consultants are eligible to receive awards under the LTIP. In addition, the Board is responsible for interpreting the LTIP and is permitted to adopt administrative rules, regulations, procedures and guidelines governing the LTIP or any awards granted under the LTIP as the Board deems to be appropriate.

The LTIP provides for the granting of stock options, RSUs and PSUs. To date, the Company has never issued any PSUs under the LTIP.

All awards granted under the LTIP are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions as may be determined by the Board, in its sole discretion, at the time of granting such award, and are evidenced by an award agreement. In addition, subject to applicable law and the limitations provided for in the LTIP, the Board may accelerate or defer the vesting, settlement or payment of awards, cancel or modify outstanding awards and waive any condition imposed with respect to awards or Shares issued pursuant to such awards.

Stock Options – A stock option is a right to purchase Shares upon the payment of a specified exercise price as determined by the Board at the time the stock option is granted. Subject to certain adjustments, the exercise price must not be less than the TSX closing price of the Shares on the date of grant. Unless otherwise specified by the Board at the time of grant, stock options granted under the LTIP will vest in three equal instalments on an annual basis over the three years following the date of grant. Stock options previously granted to Directors under the LTIP are not subject to vesting. Subject to any accelerated termination set forth in the LTIP, each stock option expires on the date that is the earlier of: (i) ten years from the date of grant; or (ii) such earlier date as may be set out in the participant's award agreement. Since May 2018, the Board has set the expiry date at seven years from the date of grant for all new option grants.

RSUs – An RSU is a unit equivalent in value to a Share, credited by means of a bookkeeping entry in the books of Real Matters, which entitles the holder to receive a Share or the cash equivalent of a Share. The Board has the authority, in its sole discretion, to determine at the time of grant, the duration of the vesting period and other vesting terms applicable to the grant of RSUs under the LTIP. The RSUs granted to Directors under the LTIP with respect to fiscal 2022 are not subject to vesting. Following the expiry of the applicable vesting period, unless otherwise specified in the applicable award agreement, holders of RSUs are entitled to receive, at the sole discretion of the Board, either: (i) one Share from treasury for each vested RSU; (ii) a cash payment for each vested RSU equal to the fair market value of one Share; or (iii) a combination of cash and Shares. The RSUs awarded to Directors with respect to fiscal 2022 will all be settled solely by the delivery of one Share from treasury for each vested RSU.

PSUs – A PSU is a unit equivalent in value to a Share, credited by means of a bookkeeping entry in the books of Real Matters, which entitles the holder to receive a Share or the cash equivalent of a Share based on the achievement of performance goals established by

the Board over a specified performance period. The performance goals to be achieved during any performance period, the length of the performance period, the amount of any PSUs granted under the LTIP and the amount of any payment to be made pursuant to any PSUs is determined by the Board. The performance goals may be based upon the achievement of corporate, divisional or individual goals, or any combination thereof, and may be applied relative to performance of an index or comparator group, in each case, as determined by the Board in its sole discretion. The Board may modify the performance goals as necessary to align them with the Company's corporate objectives. The performance goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur) and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur). Following the expiry of the applicable vesting period, unless otherwise specified in the applicable award agreement, holders of PSUs are entitled to receive, at the sole discretion of the Board, either: (i) one Share from treasury for each vested PSU; (ii) a cash payment for each vested PSU equal to the fair market value of one Share; or (iii) a combination of cash and Shares.

Dividend Equivalents – Unless otherwise determined by the Board and set forth in the applicable award agreement, RSUs and PSUs granted under the LTIP will be credited with dividend equivalents in the form of additional RSUs and PSUs, as applicable, as of each dividend payment date in respect of which cash dividends are paid on Shares. Such dividend equivalents are computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs and PSUs, as applicable, held by the participant on the record date for the payment of such dividend; by (ii) the TSX closing price of the Shares at the close of the first business day immediately following the dividend payment date. Dividend equivalents credited to participant's accounts will vest in proportion to the RSUs and PSUs to which they relate.

Black-Out Periods – If an award granted under the LTIP expires during, or within five business days after, a routine or special trading black-out period imposed by the Company to restrict trades in its securities, then, unless the delayed expiration would result in tax penalties, the award will expire 10 business days after the trading black-out period is lifted by the Company.

Terminations – All awards granted under the LTIP will expire on the earlier of: (i) ten years from the date of grant; or (ii) such earlier date as may be set out in the participant's award agreement, subject to early expiry in certain circumstances. Since May 2018, the Board has set the expiry date at seven years from the date of grant for all new option grants. In addition, the RSUs awarded to Directors with respect to fiscal 2021 and fiscal 2022 must be settled no later than seven years from the date of grant.

Termination of Employment or Services – The following table describes the impact of certain events that may, unless otherwise specified by the Board at the time of grant, lead to the early acceleration or early expiry of awards granted under the LTIP, subject to Board discretion.

Event	Provision
<p><u>For all Participants</u> In the case of death</p>	<ul style="list-style-type: none"> • Full acceleration of vesting of all awards. • Exercise of vested options until the earlier of: (i) 12 months after the date of death; and (ii) the expiry date. • Company shall, at its option, issue Shares and/or cash pursuant to any RSUs and/or PSUs.
Termination in the case of permanent disability	<ul style="list-style-type: none"> • Forfeiture of all unvested awards. • Exercise of vested options as of termination date until the earlier of: (i) 12 months after the date of permanent disability; and (ii) the expiry date.
<p><u>Employees</u> Termination for cause</p>	<ul style="list-style-type: none"> • Forfeiture of all unvested and vested awards.
Termination other than for cause or upon voluntary resignation	<ul style="list-style-type: none"> • Forfeiture of all unvested awards. • Exercise of vested options as of termination / resignation date until the earlier of: (i) 90 days after termination / resignation date and (ii) expiry date.
<p><u>Consultants</u> Termination due to breach of consulting agreement or arrangement</p>	<ul style="list-style-type: none"> • Forfeiture of all unvested and vested awards.
<p><u>Directors</u> Ceasing to hold office other than due to death or permanent disability</p>	<ul style="list-style-type: none"> • Forfeiture of all unvested awards. • Exercise of vested options as of cessation date until the earlier of: (i) 90 days after cessation date and (ii) the expiry date.

Change of Control – Except as may otherwise be provided in an employment or written agreement, if an employee is terminated within six months following a change of control of the Company, all awards of such employee granted under the LTIP will vest and (i) options may be exercised until the earlier of: (A) 90 days after the termination date; and (B) the expiry date of the option, and (ii) as soon as practicable following the termination date, the Company will, at its option, issue Shares and/or cash pursuant to any RSUs and/or PSUs, as applicable, granted to such employee under the LTIP. All employee LTIP entitlements upon a change of control of the

Company are double trigger in that no vesting of awards will automatically occur solely as a result of the change of control. Rather, automatic vesting of an employee's awards under the LTIP requires both a change of control and termination of such employee within six months following the change of control. Similarly, the Board may, without the consent of any participant, cause outstanding awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an award to lapse, in whole or in part, prior to or upon consummation of a change of control. Subject to certain exceptions, a "**change of control**" means: (i) any transaction pursuant to which a person or group of persons acting jointly or in concert acquires more than 50% of the outstanding Shares; (ii) the sale, assignment or other transfer of all or substantially all of the assets of the Company; (iii) the dissolution or liquidation of the Company; (iv) the occurrence of a transaction requiring approval of the Shareholders whereby the Company is acquired through consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise; (v) individuals who comprise the Board as of the last annual Shareholder meeting (the "**Incumbent Board**") for any reason cease to constitute at least a majority of the Board, unless the election or nomination for election by the Shareholders of any new Director was approved by a vote of at least a majority of the Incumbent Board, in which case, such new Director will be considered as a member of the Incumbent Board; or (vi) the occurrence of such other event that the Board determines as being a change of control.

Non-Transferability of Awards – Subject to certain exceptions provided under the LTIP (including transfers to "permitted assigns"), unless otherwise provided by the Board, no assignment or transfer of awards granted under the LTIP, whether voluntary, involuntary, by operation of law or otherwise, is permitted.

Amendments to the LTIP – The Board may from time to time, without notice and without approval of the Shareholders, amend, modify, change, suspend or terminate the LTIP or any awards granted pursuant thereto as the Board, in its sole discretion, determines appropriate; provided, however, that no such amendment, modification, change, suspension or termination of the LTIP or any award granted pursuant thereto may materially impair any rights of a holder or materially increase any obligations of a holder under the LTIP without the consent of such holder, unless the Board determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements.

Notwithstanding the above, approval of Shareholders is required for any amendment, modification or change that:

- increases the number of Shares available for issuance under the LTIP, except pursuant to the provisions in the LTIP which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- increases or removes the 10% limits on Shares issuable or issued to insiders;
- reduces the exercise price of an award (including a cancellation or termination of an award of a participant prior to its expiry date for the purpose of re-issuing an award to the same participant with a lower exercise price), except pursuant to the provisions in the LTIP which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;

- extends the term of an award beyond the original expiry date (except in connection with a black-out period as described above);
- permits an award to be exercisable beyond 10 years from the date of grant (except in connection with a black-out period as described above);
- permits awards to be transferred to a person other than a “permitted assign” or for normal estate settlement purposes; or
- deletes or otherwise limits the amendments which require Shareholder approval.

The Board may, without the approval of Shareholders, at any time or from time to time, amend the LTIP for the purposes of: (i) making any amendments to the general vesting provisions of an award; (ii) making any amendments to the provisions for early termination of awards in connection with a termination of employment or service; (iii) adding covenants of the Company for the protection of the participants, provided that the Board is of the good faith opinion that such additions will not be prejudicial to the rights or interests of participants; (iv) making any amendments not inconsistent with the LTIP as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a participant resides, provided that the Board is of the opinion that such amendments and modifications will not be prejudicial to the rights or interests of participants; and (v) making such changes or corrections which, on the advice of the Company's counsel, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board is of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the participants.

Outstanding Options, Options Available for Future Grant and Burn Rate - As of September 30, 2022, a total of 4,425,425 options were outstanding under the LTIP, and assuming such options are subsequently exercised, would represent, in the aggregate, 6.1% of the Shares issued and outstanding as of September 30, 2022⁴. As of September 30, 2022, a total of 1,148,706 options remained available for future grant under the LTIP, and assuming such options are granted and subsequently exercised, would represent, in the aggregate, 1.6% of the Shares issued and outstanding as of September 30, 2022. The annual burn rate of the LTIP was 0.5% in fiscal 2022 and 0.6% in fiscal 2021. The annual burn rate is calculated by dividing the number of options granted under the LTIP during the applicable fiscal year by the weighted average number of Shares outstanding for the applicable fiscal year.

EIP and Employee Benefit Plan Trust – On January 31, 2022, the Company adopted the EIP and established an employee benefit plan trust to provide an alternate mechanism for the settlement of RSUs using market-purchased Shares at the election of the Company. The EIP contains substantially similar terms as the LTIP except that (a) only RSUs may be granted under the EIP; (b) only employees and consultants may be granted awards under the EIP; (c) awards under the EIP are settled in non-dilutive, market-purchased Shares or cash at the participant's

⁴ As of September 30, 2022, there were 72,695,645 Shares issued and outstanding.

election (unless otherwise specified in the applicable award agreement) following the expiry of a 3-year vesting period; and (d) upon a participant's disability, termination from employment other than for Cause or voluntary resignation, a pro-rated number of their remaining unvested RSUs shall vest (provided that if they are terminated from employment or resign in the first year of a vesting period no RSUs shall vest). From time to time, the Company will provide funds to an independent custodian to purchase Shares in the open market to be held in trust until delivered to participants in settlement of vested RSUs under the employee benefit plan trust. On February 1, 2022, 101,048 Shares were purchased on the open market and are being held by the employee benefit plan trust for the benefit of the Company's Canadian executives. These Shares relate to RSUs granted to Canadian executives for the fiscal year ended September 30, 2021. None of the RSUs granted for the fiscal year ended September 30, 2022 are being held in the employee benefit plan trust. As each of the awards granted for the fiscal year ended September 30, 2022 will be cash-settled on the settlement date, any executive who is subject to the Share Ownership Guidelines, but who has not yet met their applicable Share Ownership Guideline at the time of vesting, must use any lump sum cash payment received (other than any amount needed to satisfy any tax obligations arising from the settlement of vested RSUs), to acquire market-purchased Shares.

CNGC Mandate – While the ultimate responsibility regarding any variable short-term cash incentive payments and variable long-term equity incentives awarded to executives is the responsibility of the Board, the CNGC, as part of its mandate, is responsible for making recommendations to the Board regarding executive compensation. Similarly, as part of its mandate, the CNGC is responsible for reviewing and making recommendations to the Board regarding the terms and conditions, design, approval, implementation, administration and interpretation of the Company's incentive compensation plans and taking such actions in regards to such plans as may be required by the terms of the applicable plans; provided that equity-based incentive plans permitting the issuance of securities from treasury and material amendments to such equity-based incentive plans may require Shareholder approval under applicable laws, rules or regulations or by the applicable equity-based plan.

Securities Authorized for Issuance under Equity Compensation Plans

The following table sets forth, as of September 30, 2022, the number of securities to be issued upon exercise of outstanding options and settlement of outstanding RSUs, the weighted exercise price of the outstanding options and the number of securities available for future issuance under all equity plans previously approved by the Shareholders.

Plan Category⁽¹⁾	Number of securities to be issued upon exercise of outstanding options, warrants and rights⁽²⁾	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in the first column)
Equity compensation plans approved by securityholders			
LTIP ⁽³⁾	4,506,733	\$8.47	1,148,706 ⁽²⁾
Total	4,506,733	\$8.47	1,148,706

Notes:

- (1) As of September 30, 2022, the Company does not have any equity compensation plans that involve the issuance of Shares that have not been previously approved by Shareholders.
- (2) Comprised of Shares issuable upon exercise of outstanding options granted under the LTIP and Shares issuable upon settlement of RSUs granted under the LTIP. As of September 30, 2022, there were 4,425,425 outstanding options under the LTIP and 81,308 outstanding RSUs under the LTIP.
- (3) The aggregate number of Shares reserved for issuance upon the exercise of options and/or settlement of RSUs pursuant to the LTIP is 10,813,928 (which was established in connection with the IPO). To the extent any awards under the LTIP are cancelled for any reason prior to exercise or settlement in full or are otherwise surrendered to the Company, except surrenders relating to the payment of the purchase price of any such award or the satisfaction of the tax withholding obligations relating to any such award, the Shares subject to such awards (or portion(s) thereof) shall be added back to the number of Shares issuable under the LTIP and shall be available for re-grant.

Chief Executive Officer Compensation Over Time

The following table compares the total value of compensation awarded to the Chief Executive Officer for each of the past five fiscal years with the actual realizable value from such compensation as of September 30, 2022:

Brian Lang⁽¹⁾

Fiscal Year ended September 30	Total Compensation Reported at Grant (\$) ⁽²⁾	Actual Total Compensation Realizable as of September 30, 2022 (\$) ⁽³⁾⁽⁴⁾
2022	970,200	970,200
2021	935,900	874,189

Jason Smith

Fiscal Year ended September 30	Total Compensation Reported at Grant (\$)⁽²⁾	Actual Total Compensation Realizable as of September 30, 2022(\$)⁽⁵⁾
2020	1,102,500	945,000
2019	1,102,500	945,000
2018	819,004	734,204

Notes:

- (1) Mr. Lang was appointed as the CEO of Real Matters on November 20, 2020.
- (2) Includes all compensation set out in the Summary Compensation Table at "Executive Compensation – Summary Compensation Table" below. The variable long-term equity incentive compensation awards included in total compensation are the most recently approved awards, rather than awards granted in arrears, as the most recently approved awards relate to the Company's achievement of the annual performance targets and objectives that were established for the applicable fiscal year.
- (3) As the RSU awards for fiscal 2022 included in the Summary Compensation Table at "Executive Compensation – Summary Compensation Table" below had not been granted as of September 30, 2022, for purposes of this table, the actual realizable value for these awards is deemed to be equal to the value of these awards on the date of grant.
- (4) The actual realizable value from RSU-based awards is determined by multiplying the number of RSUs held by the CEO by the \$4.75 TSX closing price of the Shares on September 30, 2022, being the last trading day of fiscal 2022.
- (5) The actual realizable value from option-based awards is equal to the difference between the fair market value of the Shares underlying the applicable options on September 30, 2022 (being \$4.75 per Share) and the exercise price of the options, multiplied by the number of option-based awards granted in the applicable fiscal year.

Summary Compensation Table

In this Circular, a named executive officer ("**NEO**") means: (a) the Chief Executive Officer of the Company; (b) the Chief Financial Officer of the Company; (c) the next three most highly compensated executive officers of the Company at the end of the fiscal year ended September 30, 2022 whose total compensation, individually, was greater than \$150,000; and (d) each individual who would be an NEO but for the fact that the individual was neither an executive officer of the Company or its subsidiaries, nor serving in a similar capacity, at the end of the fiscal year ended September 30, 2022. For the fiscal year ended September 30, 2022, the Company's NEOs are: (a) Brian Lang; (b) William Herman; (c) Jason Smith; (d) Robert Smith; (e) Loren Cooke; and (f) Kim Montgomery. The total compensation earned by the six NEOs in fiscal 2022 represented approximately 0.8% of the Company's revenues in fiscal 2022.

Notes:

- (1) Represents the salary paid to the NEOs in the fiscal years ended September 30, 2022, 2021 and 2020.
- (2) Share-based awards reflect the variable long-term equity incentive compensation awarded to the NEOs based upon the Company's achievement of the annual performance targets and objectives that were established for each of fiscal 2022 and fiscal 2021, as applicable. The Company did not grant any share-based awards to the NEOs for the fiscal year ended September 30, 2020. The share-based awards reported above for fiscal 2022 are the most recently approved RSU awards, rather than those awards that were granted in February 2022, as the most recently approved RSU awards relate to the Company's achievement of the annual performance targets and objectives that were established for fiscal 2022. The share-based awards reported above for fiscal 2021 are the RSU awards granted in February 2022, rather than those awards that were granted in November 2020, as the awards granted in February 2022 relate to the Company's achievement of the annual performance targets and objectives that were established for fiscal 2021. The amounts shown are the values of the RSU awards on the grant date.

- (3) Option-based awards reflect the variable long-term equity incentive compensation awarded to the NEOs based upon the Company's achievement of the annual performance targets and objectives that were established for fiscal 2020. The option-based awards reported above are reported with respect to fiscal 2020, as this grant of awards relates to the Company's achievement of the annual performance targets and objectives that were established for fiscal 2020. The amounts shown are the values of the awards on the grant date. The Company did not grant any option-based awards to the NEOs during the fiscal years ended September 30, 2022 and September 30, 2021. The Company used the Black-Scholes-Merton fair value option pricing method to establish the fair value of options granted under the LTIP as it is a commonly used valuation metric. Except as otherwise noted below, the key assumptions made in the valuation of the awards set out in the above table for fiscal 2020 were as follows: (i) risk-free interest rate: 0.35%; (ii) expected option life: 4.5 years; and (iii) expected volatility: 45.7%.
- (4) Non-equity incentive plan compensation reflects the variable short-term cash incentive payment made to the NEOs based upon the Company's achievement of the annual performance targets and objectives that were established for each of fiscal 2022, fiscal 2021 and fiscal 2020, as applicable. No variable short-term cash incentive payment was made to the NEOs for fiscal 2022.
- (5) None of the NEOs are entitled to perquisites or other personal benefits which, in the aggregate, are worth over \$50,000 or over 10% of their salary.
- (6) As a result of the Company's performance during the fiscal year ended September 30, 2022, including the significant decline in its share price on a year-over-year basis, no variable short-term cash incentive payment was awarded to the Company's executives for such fiscal year. In light of the Share Ownership Guidelines for executives, the decision not to award any variable short-term cash incentive payment to the Company's executives for fiscal 2022 and to align the interests of the Company's executives with those of its Shareholders by tying a meaningful portion of compensation directly to the Company's long-term performance, 100% of the target variable long-term equity incentive compensation was awarded to the Company's executives for fiscal 2022. As a result of the Company's performance during the fiscal year ended September 30, 2021, including the decline in its share price on a year-over-year basis, only 50% of the target variable short-term cash incentive payment and only 75% of the target variable long-term equity incentive compensation was awarded to the Company's executives for such fiscal year. As a result of the Company's performance during the fiscal year ended September 30, 2020, including the increase in its share price on a year-over-year basis, 100% of the target "at risk" compensation was awarded to the Company's executives for such fiscal year.
- (7) On November 20, 2020, Mr. Lang was appointed Chief Executive Officer of Real Matters and joined the Board. Commencing on December 1, 2020, his annualized base salary became \$630,000 in respect of his new role. His target variable short-term cash incentive remained equal to 25% of his new base salary and his target variable long-term equity incentive compensation remained equal to 50% of his new base salary. Mr. Lang received no additional compensation in his capacity as a Director.
- (8) Effective June 1, 2021, the Company established a Deferred Profit Sharing Plan ("DPSP") for Canadian employees. The DPSP provides for the Company to provide a matching contribution equal to 100% of the contributions made by each employee to the Company's group Registered Retirement Savings Plan, up to a maximum of 4% of such employee's base salary. During each of the fiscal years ended September 30, 2022 and September 30, 2021, each of Brian Lang and William Herman participated in the Company's DPSP for Canadian employees.
- (9) On November 20, 2020, Mr. Jason Smith was appointed as Executive Chairman. Commencing on December 1, 2020, his annualized base salary became \$525,000 in respect of his new role. His target variable short-term cash incentive remained equal to 50% of his new base salary and his target variable long-term equity incentive compensation remained equal to 25% of his new base salary. Mr. Jason Smith received no additional compensation in his capacity as a Director.
- (10) Mr. Robert Smith ceased to be an employee of Solidifi Title on June 10, 2022. As such, he did not receive any share-based awards or non-equity incentive plan compensation in respect of the fiscal year ended September 30, 2022.

- (11) The above table reflects all amounts received by Mr. Robert Smith in U.S. dollars, converted to Canadian dollars at the Bank of Canada average daily exchange rate on September 29, 2022 of US\$1.00 = \$1.3707.
- (12) During each of the fiscal years ended September 30, 2022, September 30, 2021 and September 30, 2020, each of Mr. Robert Smith and Mr. Cooke participated in the Company's 401(k) plan for U.S. employees. The 401(k) plan provides for the Company to provide a matching contribution equal to 100% on the first 3% of the participant's compensation and 50% on the next 2% of the participant's compensation.
- (13) As a result of Mr. Cooke relocating to the United States from Canada, Mr. Cooke's employment was transferred from Real Matters to Solidifi U.S. effective as of November 16, 2019. In addition, Mr. Cooke's annualized base salary was changed from \$420,000 to US\$420,000 effective as of November 16, 2019. The above table reflects all amounts received by Mr. Cooke in U.S. dollars, converted to Canadian dollars at the Bank of Canada average daily exchange rate on September 29, 2022 of US\$1.00 = \$1.3707.

Notes:

- (1) The value of the options that vested during the fiscal year is based on the difference between the exercise price of the options and the TSX closing price of the Shares on the applicable vesting date. If the TSX closing price of the Shares on such date was equal to or below the exercise price, the options had no current value and are valued at nil.
- (2) The value of the RSUs that vested during the fiscal year is determined by multiplying the number of RSUs that vested during the year by the market value of the underlying shares on the vesting date.
- (3) Non-equity incentive plan compensation reflects the variable short-term cash incentive payment made to the NEOs based upon the Company's achievement of the annual performance targets and objectives that were established for fiscal 2022. As a result of the Company's performance during the fiscal year ended September 30, 2022, including the significant decline in its share price on a year-over-year basis largely due to unprecedented U.S. mortgage market headwinds faced by the Company, no variable short-term cash incentive payment was awarded to the Company's executives for such fiscal year.
- (4) Mr. Robert Smith ceased to be an employee of Solidifi Title on June 10, 2022. As such, all of his outstanding RSUs were forfeited on June 10, 2022 and all of his outstanding options were forfeited on September 8, 2022.

The commencement date of Mr. Herman's employment with Real Matters was September 6, 2016. Except for any bonus or incentive which has accrued by virtue of Mr. Herman's prior completion of the entire bonus or incentive period, Mr. Herman is not entitled to any other severance, incentives or other bonuses if his employment is terminated for cause, or if he resigns or retires. General

None of the NEOs have any provisions in their contracts regarding any payments to be made in the event of a change of control. As it relates to the treatment of any awards outstanding to the NEOs under the LTIP or EIP upon a change of control, such treatment will be consistent with the treatment for anyone else with awards outstanding under the LTIP or EIP, as outlined under the heading “Executive Compensation - Compensation Discussion and Analysis – Components of Executive Compensation” above. In particular, all NEO LTIP and EIP entitlements upon a change of control of the Company are double trigger in that no vesting of awards will automatically occur solely as a result of the change of control. Rather, automatic vesting of an NEO’s awards under the LTIP or EIP requires both a change of control and termination of such NEO within six months following the change of control.

The following table reflects the estimated amount of payouts and other benefits (assuming all criteria and preconditions in each individual employment agreement are satisfied) for each of the NEOs, as of September 30, 2022, in the event their employment is terminated by the Company or any of its subsidiaries, as applicable, other than for cause, or they resign.

Notes:

- (1) Amounts in this column are determined in accordance with the severance provisions of each individual employment agreement.
- (2) Amounts in this column are determined in accordance with the severance provisions of each individual employment agreement and also include: (i) the value of accelerated, unvested in-the-money options based on the difference between the exercise price of the options and the \$4.75 TSX closing price of the Shares on September 30, 2022; and (ii) the value of accelerated, unvested RSUs determined by multiplying the number of RSUs that would be accelerated in connection with the NEO’s termination by the Company other than for cause by the \$4.75 TSX closing price of the

Shares on September 30, 2022. If within six months following completion of a transaction resulting in a change of control, an NEO's employment is terminated by the Company other than for cause, all unvested options and unvested RSUs held by such NEO will vest immediately.

- (3) Amounts in this column reflect the value of: (i) accelerated, unvested in-the-money options based on the difference between the exercise price of the options and the \$4.75 TSX closing price of the Shares on September 30, 2022; and (ii) accelerated, unvested RSUs determined by multiplying the number of RSUs that would be accelerated in connection with the NEO's death by the \$4.75 TSX closing price of the Shares on September 30, 2022. On the death of an NEO, all unvested options and unvested RSUs held by such NEO will vest immediately.
- (4) Amounts in this column reflect the value of accelerated, unvested RSUs determined by multiplying the number of RSUs that would be accelerated in connection with the NEO's resignation from the Company by the \$4.75 TSX closing price of the Shares on September 30, 2022. If an NEO voluntarily resigns, then for each RSU award grant, such NEO is entitled to a pro rata portion of unvested RSUs held by the NEO on the resignation date which is equal to: (i) the total number of RSUs granted on the date of grant multiplied by (ii) a fraction, of which the numerator is the number of years from the date of grant to the resignation date, rounded down to the nearest whole year, and the denominator is the number of years from the date of grant to the vesting date of the applicable award.
- (5) The applicable employment benefits (e.g., health, dental, vision, etc.) to which Brian Lang is entitled continue upon termination of employment for the applicable statutory notice period required under the *Employment Standards Act* (Ontario) (the "ESA"). After the minimum ESA notice period, Mr. Lang will continue to receive such benefits until the earlier of: (i) the commencement date of Mr. Lang's new employment; and (ii) the last day of the Lang Severance Period.
- (6) The applicable employment benefits (e.g. health, dental, vision, etc.) to which each of William Herman, Jason Smith and Kim Montgomery is entitled continue upon termination of employment for the duration of the relevant salary continuance period indicated above.
- (7) Robert Smith ceased to be an employee of Solidifi Title on June 10, 2022. In connection with his departure, Mr. Robert Smith received severance pay equal to nine months' base salary, payable on a salary continuance basis. The employer portion of Mr. Robert Smith's applicable employment benefits (e.g. health, dental, vision, etc.) will continue until the earlier of: (i) the last day of Mr. Robert Smith's salary continuance period; and (ii) the date that Mr. Robert Smith obtains health coverage from any other source, including a new employer. In addition, Solidifi Title has arranged for the continued use of certain title licenses held by him through September 30, 2024. This arrangement is subject to early termination and pays Mr. Robert Smith US\$2,500 per month. Mr. Robert Smith's non-competition and non-solicitation obligations are applicable through June 9, 2023.
- (8) The applicable employment benefits (e.g. health, dental, vision, etc.) to which Loren Cooke is entitled continue upon termination of employment until the earlier of: (i) the last day of the relevant salary continuance period indicated above; and (ii) the date that Mr. Cooke obtains health coverage from any other source, including a new employer.
- (9) The above table reflects the severance amount payable to each of Robert Smith and Loren Cooke upon their termination other than for cause in U.S. dollars, converted to Canadian dollars at the Bank of Canada average daily exchange rate on September 29, 2022 of US\$1.00 = \$1.3707.

Director Compensation

The Directors' compensation program is designed to attract and retain qualified individuals to serve on the Board of Directors. During the fiscal year ended September 30, 2022, Jason Smith, the Executive Chairman of Real Matters, and Brian Lang, the Chief Executive Officer of Real Matters, were the only executive Directors and did not receive any additional compensation in their capacity as a Director.

For the fiscal year ended September 30, 2022, non-executive Directors were paid, in cash, an annual retainer fee of \$30,000. In addition: (i) the Lead Independent Director received an additional fee of \$20,000 on an annualized basis; (ii) the Chair of the Audit Committee received an additional fee of \$15,000; (iii) the Chair of the CNGC received an additional fee of \$10,000; (iv) Audit Committee members (other than the Chair of the Audit Committee) received an additional fee of \$7,500; and (v) CNGC members (other than the Chair of the CNGC) received an additional fee of \$5,000. With respect to the Lead Independent Director, the variable long-term equity incentive compensation was two times the annual cash retainer fee paid to Mr. Foster, excluding the additional fee of \$20,000 for serving as Lead Independent Director. Mr. Holland did not receive any variable long-term equity incentive compensation. All Directors were entitled to reimbursement for reasonable expenses incurred by them acting in their capacity as Directors.

The following table sets out the amount of compensation earned by, paid to or awarded to the non-executive Directors for the fiscal year ended September 30, 2022:

share-based awards held by the applicable Director by the \$4.75 TSX closing price of the share-based awards on September 30, 2022, being the last trading day of fiscal 2022.

(3) Mr. Hobson did not stand for re-election at the annual meeting of Shareholders held on January 31, 2022. As such, he has no outstanding share-based awards.

Notes:

(1) Each of Mr. Smith and Mr. Lang are an NEO and not paid any additional compensation as a Director. As a result, neither Mr. Smith nor Mr. Lang are included in this table.

- (2) Mr. Hobson did not stand for re-election at the annual meeting of Shareholders held on January 31, 2022. Since all of his outstanding options that had not yet been exercised were forfeited on May 1, 2022, he is not included in this table.
- (3) Ms. Martin was appointed to the Board on January 31, 2022. She has no outstanding-based awards so she is not included in this table.
- (4) The value of unexercised in-the-money options is based on the difference between the exercise price of the options and the \$4.75 TSX closing price of the Shares on September 30, 2022, being the last trading day of fiscal 2022.
- (5) Mr. Holland will not be standing for re-election at the Meeting.

Value Vested or Earned During the Fiscal Year ended September 30, 2022

The following table sets forth, with respect to each Director, the value vested or earned for option-based awards, share-based awards and non-equity incentive plan compensation during the year ended September 30, 2022:

Name ⁽¹⁾	Option-Based Awards – Value Vested During the Year (\$) ⁽²⁾	Share-Based Awards – Value Vested During the Year (\$) ⁽³⁾	Non-Equity Incentive Plan Compensation – Value Earned During the Year (\$)
Garry Foster	Nil	90,000	Nil
Blaine Hobson ⁽⁴⁾	Nil	Nil	Nil
William Holland ⁽⁵⁾	Nil	80,000	Nil
Karen Martin	Nil	50,000	Nil
Frank McMahon	Nil	75,000	Nil
Lisa Melchior	Nil	75,000	Nil
Peter Vukanovich	Nil	70,000	Nil

Notes:

- (1) Each of Mr. Smith and Mr. Lang are an NEO and not paid any additional compensation as a Director. As a result, neither Mr. Smith nor Mr. Lang are included in this table.
- (2) The value of the options that vested during the fiscal year is based on the difference between the exercise price of the options and the TSX closing price of the Shares on the applicable vesting date. Since all stock options granted to Directors are not subject to vesting, the options had no value on the applicable vesting date and are therefore valued at nil.
- (3) The value of the RSUs that vested during the fiscal year is determined by multiplying the number of RSUs that vested during the year by the market value of the underlying shares on the vesting date. Since all RSUs granted to Directors are not subject to vesting, the value on the applicable vesting date is equal to the value on the date of grant.
- (4) Mr. Hobson did not stand for re-election at the annual meeting of Shareholders held on January 31, 2022.
- (5) Mr. Holland will not be standing for re-election at the Meeting.
